Work All The Time

MURPHY, NORTH CAROLINA THURSDAY, JUNE 24, 1943,

Several To Attend **Lions Convention**

be represented by several mem-the Twenty-first Annual "World At War" To bers at the Twenty-first Annual Convention of North Carolina Lions Clubs to be held in Winston-Salem June 27 and 28, according to an announcement today by Dr. W. A. Hoover, president of the lo-

the general trend throughout the country to cut down on conven-tion "frills" and hold sessions to strictly business. Many of the Mrs. Ed Brown usual entertainment features of the state convention have been eliminated for the Twin City meet. The annual District Governors' Banquet and Ball, to be held on convention, is the only "strictly business".

Charles J. Stevenson, director of Lions International, of Cambridge, N. Y., will be the banquet

The meeting will open on Sunday. June 27, with a memorial service at the First Baptist church. Greensboro, Dr. Ralph A. Herring, morial address.

At the luncheon meeting on in charge. Monday, Henry P. Johnson, district-governor-elect, of Tampa Florida, will speak.

North Carolina is known as a "multiple distdict" of Lions International Distirct governors In Auto Accident are: Wesley W. Brown, of Asheville, of Distirct 31-A: Je of Winston-Salem, of Haylor, of Whiston-Salem, of District 31-B; and T. S. Payne, of Monday morning about 9:30 Monday morning about 9:30 o'clock, when he ran from behind o'clock, when he ran from behind club is general convention chair-

Appeal Made For Extra Feed Crops

An appeal to North Carolina ses in the Mid-West due to flood and unfavorable weather conditions has been received by Dr. tension Service at N. C. State ley Creamery.

Dr. Schaub says that the need for maximum food production is Hospital Council greater than ever and unfavorable growing conditions in the IS DISCUSSED flood areas has caused a very serious situation. Planting of corn in those areas are being made at a late date and the crop may not be able to mature before frost.

Government officials at Washington therefore have asked that Tarheel growers make every effort to produce greater amounts than ever before.

The Director suggests that immediately following the harvesting of small grains, every single acre possible be put into some food or feed crop. With increased numbers of livestock and poultry, the need for supplemental grazing crops of soybeans, cowpeas, sudan grass, millet, and sorgium are paramount in helping to relieve the feed shortage which

probably continue well into 1944. Since North Carolinians can have year-round gardens. Schaub urges all Victory Gardeners to seed succession vegetable crops throughout the year and help relieve the demand on ra-

tioned supplies of canned foods. "Patriotic cooperation in planting extra acres of feed crops on every farm in this State and allgardens throughout the is necessary to achieve war needs". Dr. Schaub said.

ATTEND CONVENTION

Scout Rates Will Advance July 1st

Beginning July 1, subscription rates to the Cherokee Scout will be advanced slightly to meet the rising cost of producing. The publishers have been reluctant to make announcement of the increase in subscription rates, but believe that the many new features and services that have been added. in addition to the rising cost of newsprint, justifies the slight increase at the pre-

Present subscribers still have a few days in which to renew their subscription at the old rate, and are urged to come in and renew at the old rate. The new rates effective July 1, are as follows, in Cherokee, Swain, Clay, Graham and Macon counties in North Carolina, Union, and Towns counties in Georgia and Polk county in Tennessee, one year \$2, six months \$1, and four months 75e; outside the above territory, one year \$2.50, six months \$1.25.

REVIVAL of Hendersonville, who will preach twice daily during the revival meeting at First Baptist church, Murphy, June 28-July 8. In the Dr. W. B. Whitfield was elected afternoon Dr. Seigler will speak

More Stamps Are **Required For** Better Cuts Beef

RALEIGH - Preferred cuts of beef-such as steaks and roasts will now cost the housewife substantially more red stamps, although fewer points will be required for numerous items of lamb, veal and variety meats, official table of consumer points value for meat, fats, fish and

The new table became effective, Sunday, June 6. The increases in the point values for beef, ranging from one to three points per pound reflect continued large consumer demand for these items in the face of lower production, the Office of Price Administration points out.

Consumers who purchase more of the lamb, pork, and veal, and variety meats, some of which have been reduced in point value. will be able to maintain their weekly meat consumption at present levels. However, those continue to use most of their red stamps for beef will find that they are eating less meat, the OPA points out.

The point value on this table is effective from June 6 through July 3 and, barring unforseen emergencies, no additional changes will be made during this period.

HAS EYE OPERATION
