"A, B, and C" will become valid to buy canned fruits and vegetables.

Early registration is desirable. Mr. Johnson said, since if everyone waited until the last minute, it will cause delay and overburden the distribution facilities.

To assist farmers in sending OPA the ration points they collect for the sale of rationed foods, local ration boards are mailing direct to farmers in their areas the necessary reporting form. Farmers, it was explained, who either sell or trade rationed foods, such as fresh smoked meat, all types of sausage, lard, butter and cheese are required to collect ration points from purchasers, the same as retail stores. All ration points thus collected should be surrendered monthly to the farmer's local board, together with a monthly report on sales.

Woman's Club

dren at the city park, and to donate clothing for babies asked for by the county health nurse.

The club was asked also for articles for Christmas needs to be provided by the local Camp and Hospital council for Moore General Hospital, Swannanoa; Naval Hospital, Asheville; Lake Lure Rest Center, Lake Lure.

Mrs. H. Bueck, chairman of the Junior Red Cross, announced the number of articles for Christmas that have been made by members of this organization.

Preceding the meeting, Ralph Bulce, recreational director of Hiwassee Dam area, who was presented by Miss Addie Mae Cooke, showed the motion picture "Last Will and Testament of Tom Smith", in the interest of the United War Fund Drive.

Walter Carringer sang "Wagon Wheels" with Mrs. J. W. Davidson at the piano.

At the close of the meeting, Miss Ruth Emory, home economics teacher in the high school and food classes, served gingerbread and whipped cream, with coffee.

Scouts Clean Up Their Attic Room

HIWASSEE DAM, Oct. 20 — The Boy Scouts started Saturday morning cleaning up the Boy Scout room in the attic of the Grammar School building. The Charter which Mr. Harbin sent for has come in. Within the next two weeks the Boy Scouts are going to have a Tenderfoot Installation. John Glenning was the first boy to start working on the second class work, but the other boys will be catching him later. We have a new member, Eugene Curtiss.

Some of the boys have started buying their uniforms.

Seniors Order Class Rings And Invitations

HIWASSEE DAM, Oct. 20 — A great event happened in the Senior's routine the other day—they ordered their rings, invitations, and cards. All the students are quite excited over the prospects of soon wearing their new rings.

The Seniors won the prize offered the high school class which enlisted the most P. T. A. members. The contest was based on the percentage of members in the class. We plan to use the money to help fix up our home room.

TOGETHER

"We're digging deeper this year!"

AMERICANS ALL—labor and management—deserve great credit for the way they have been sharing their earnings with their less fortunate fellowmen.

Members of the A. F. L., the C. I. O., and the Railroad Brotherhoods stand side by side with other workers, with management and the rest of the Community—they are *digging* deep this year for the National War Fund—giving through their local united community campaigns.

It is *united* giving for a *united* cause.

Labor and management have not only been giving generously of their earnings but also of their time, helping in securing pledges and contributions.

In most instances union members are giving a part of their pay *each month* on a regular basis. If you work in a plant where such a plan exists—look into it—you will want to support it.

Labor supports the National War Fund because it provides a way, in cooperation with local community campaigns, to give *once* for the many local welfare agencies on the home front as well as for many war agencies. This way overhead costs are cut to a minimum. Volunteer time and energy of collecting is reduced. It is the intelligent way to give—so give generously.

The money is divided thoughtfully—in proportion to the need.

Some goes to the U. S. O., our boys' "home away from home"—some goes to men in prison camps—some goes to hospitals and nursing homes, for helpless children of war-torn Europe and Asia—some goes to care for the needs of our own "Home Front."

You probably gave last year small amounts to many of these agencies. Add up what you gave last year—*then double it*. You can't give too much. The need is so great.

Give *ONCE* for *ALL* these
