

Farm Loan Association Consolidates

Consolidation of the Cherokee National Farm Loan Association with three other associations to form a new association, which will be known as the Waynesville National Farm Loan Association, has been approved by the Farm Credit Administration, according to D. Reeves Noland, Secretary-Treasurer. These associations have maintained a joint office at Waynesville in the R. E. A. Building for several years.

The new association is authorized to accept applications for farm loans from The Federal Land Bank of Columbia in Clay, Cherokee, Graham, Haywood, Jackson, Macon, and Swain Counties.

There is no director from Cherokee or Graham county on the new board.

The new association has taken over the assets and liabilities of the Cherokee Association and all retired members who have paid their loans in full to The Federal Land Bank of Columbia will receive cash for the par value of their stock in the association. Mr. Noland stated, "Under this arrangement, retired members of the Cherokee Association in Cherokee, Clay, and Graham Counties will receive approximately \$6,000."

Growers should protect their farm machinery from the weather, and check and adjust it for maximum efficiency, says David S. Weaver, in charge of Agricultural Engineering at State College.

No, these are not Russian or Polish war orphans. They are right here at home. Their father, who was an automobile mechanic, is in Europe now, repairing American tanks. Their mother is in a war plant. Every night they sit here and wait her homecoming—and dinner. Your dollars can support playgrounds, equipment and care for them through one of our local welfare agencies. Would you rather have a new evening gown?

A merchant seaman has been dragged back to life from an ocean of flaming oil. He has lost all of the little possessions that sailed with him. He is given warmth and comforts and strength to fulfill his desire to "ship" again by your dollars. Would you rather have bought a new radio?

DOLLARS can be cold and selfish things. Or they can be generous, compassionate and merciful.

Turn over the spending of some of your dollars to your heart. It will want to give twice what your logical mind intended to give, because your heart understands the mercy, the relief and the pleasure that these dollars bring. Let your heart decide.

This Chinese baby didn't have much, but yesterday it did have a straw shelter, a crude cradle and two parents to care for it. A screaming Japanese bomb destroyed them all. Your dollars can bring this baby back to a useful life in the new China to come. Would you rather have a new chair in the living room?

Remember this soldier? You saw him on the USO posters last year. His smile comes straight from a USO clubhouse. One of the finest things civilians have done in this war is in building and supporting the USO. Boys come into the army from farms and cities—a little lonely—a little homesick. The USO provides friendship, entertainment and hominess. Some of your dollars are spent through the USO. Would you rather have bought yourself a few theatre tickets?
