She remembers the way things were last spring when cleaners were swamped and many customers were disappointed. She's looking ahead on dry cleaning. It's a good thing she's doing it, too! We're on the spot again. Garments are pouring in, employees are scarce, so are some materials, deliveries are restricted—but we're determined to give you the best possible dry cleaning, and we'll do it if you will only allow us plenty of time. Follow the young lady's example. Be sure there's a hanger with each garment. Thanks for your cooperation!
