WOLF CREEK SCHOOL NEWS

Roy Collins and Louise Collins were the only children present every day last month.

We added only two things to our school room last week. Roy Prince brought a nail keg and he and Roy Collins made a seat out of it for the dressing table in our health corner. All the boys together ripped a broom handle into four quarters and we are using it for a paper holder in our library corner. They washed, scraped, sanded and painted it and now we are using it. We are keeping The Cherokee Scout in it. We are going to make another one for a daily paper.
