Van Gorder of Mineral Park., Calif., one grandson and one granddaughter, two brothers of abolition of war agencies. and two sisters.

Funeral services under direction and daughter from the west.

day evening at 6 o'clock. Central War Time, by President Truman, that World War II, bloodiest war in all history, had ended with Japan's unconditional surrender. The formalities of the official signing of surrender terms and a proclamation of V-J day are yet to be carried out.

To reporters crowded into the president's office, he disclosed the fact that Japan, without ever being invaded, had accepted completely and without reservation an allied declaration of Potsdam dictating unconditional surrend-

Gen. Douglas MacArthur had been designated supreme allied commander, the man to receive

There is to be no power for the Japanese emperor, Hirohito, although the allies will allow him to remain their tool. The war lords will no longer reign through him nor any successor; they will take orders from MacArthur.

Allied forces were ordered to 'suspend offensive action" everywhere. To a Japanese government which once boasted it would dictate peace terms in the White House Mr. Truman dispatched orders to "direct prompt cessation of hostilities", tell MacArthur of the effective date and hour and send emissaries to the general to arrange formal surrender.

Congress was summoned back to work on Sept. 5, more than a month ahead of schedule to get busy on unemployment compensation, surplus property disposal, full employment, government reorganization and the continuation

# Japs Who Chose to Surrender

Here is one group of the large number of Japs on Okinawa who chose to surrender rather than to be killed or to commit hara kiri. Those who surrendered were poorly garbed and emaclated, but the fact that so many chose to give up indicates a possible change in the Jap viewpoint on surrender. (U. S. Marine Corpe Photo)
