Officers May Re-Enlist With Their Old Ranks

RALEIGH — Captain Marvin A. Turner, Recruiting and Induction Officer for the State, announces that former non-commissioned officers who would like to return to the Army with their old rank can do so if they were honorably discharged since May 12, 1945, and if they re-enlisted by October 25.

The men who desire to take advantage of this opportunity must be physically examined, processed and actually in the Army by October 25. Because of the distance from processing centers, this means that men should apply by October 21 to 23.

Headquarters District Number Two today sought to bring the change in policy to the attention of all former non-commissioned officers. The obvious advantage is that any man re-enlisting after the deadline must do so as a private. If he held a rating such as master sergeant, buck sergeant or corporal and is eligible for reinstatement, he should apply before October 25.

Full information about this re-enlistment inducement may be obtained at any Army Recruiting Station. In Asheville, the Recruiting Station is located in Room 8, Post Office Building. Major Girard Haven is the Commanding Officer.
