What's on my mind today? The same thing that's probably on every housewife's... spring cleaning! But I'm not going to let it get me down, and I hope you won't let it get you down either. That's why I want to share some of my pet labor-saving ideas with you. Try them and see if they don't make it easy to take it easy!
BEANS FOR THE BUSY
When I'm up to my ears in pails and mops (as who isn't these days?), I'm more grateful than ever for A&P's ready-to-eat ANN PAGE BEANS. They're simply delicious just the way they come out of the can... and extra-tasty fixed like this: Fill a casserole with 2 1-lb. cans of ANN PAGE BEANS with pork and tomato sauce (enough for 6 generous servings); top with slices of ham or bacon, and then bake for 30 minutes in a moderate oven, 350 F.
HOUSE CLEANING HINTS
To remove watermarks from a waxed finish, take off old wax with liquid wax; apply a fresh coat. To mildew-proof awnings and shower curtains, soak them in very soapy water and, without rinsing, dip them in a solution of copper sulphate, which you can get at the drug store. To protect floors from furniture marks and scratches, wax rockers and feet of chairs and tables when you wax your floors. To make your home "come clean" from attic to cellar, get BRIGHT SAIL cleaning aids at your A&P. Every one of these fine products does such a thorough job that no homemaker should be without them.
TEA FOR THE TIRED
Doesn't a cup of tea do wonders for you when you're weary? It does for me... especially when it's full of really invigorating flavor. That's why I always use OUR OWN NECTAR or MAY FAIR TEAS from the A&P. They're all Flavor Tested, so no matter which you choose, you can be sure you're hitching your tea wagon to a star!
