Platform
F. B. Bauer, being drafted to run as Independent Candidate for Chief of the Eastern Band of Cherokee Indians; and Arnold Cooper, likewise being drafted to run for Vice Chief of the Cherokees, on an Independent Ticket, subject to the will of the voters in the coming Tribal Election, wish to submit to the voters the following Platform:
We would like to see our potential tourist resources developed until unsurpassed by any similar resort area. And, we believe that it can be done.
8. It is our desire and policy to cooperate with the counties of Jackson and Swain, and with the State of North Carolina, to the extent that our people will have the respect of all our neighboring citizens. We do not approve such statements as have been current in the press, over the past year, that our people are not capable of standing on their own feet. We feel that the vast majority of the Members of the Eastern Band are intelligent people, and are equal to any other people.
9. It will be our policy, to, and we will aid all of our old people. First, by Old Age Assistance; and Second, by help from the Band.
10. We will not accept any job from the Government, so long as we serve the Eastern Band of Cherokees, as their elected representatives. We do not believe that you can serve two masters at the same time.
11. Our policy will be business administration of the affairs of the Eastern Band, upon sound principles.
12. This Platform is that of, and has been adopted by the Independent Ticket. It is our desire that the voters give us a Council that will cooperate in a Progressive Administration of the affairs of the Eastern Band.
To all those who agree: Vote for F. B. Bauer, for Chief, and Arnold Cooper, for Vice Chief.
This Platform we submit to YOU in all confidence that it will meet with the approval of all interested and thinking people.
There will be a meeting in Murphy, N. C. Courthouse at 3 o'clock Saturday, August 30th.
Buses will give free bus service on day of election, Sept. 4th to Birdtown and Cherokee. All enrolled members of the Eastern Board of Cherokee Indians are invited to vote, and you are requested to use your privilege.
Thank You.
