

4-H Club Members To Get Free Trips To National Camp

A free trip to National 4-H Club Camp next summer will be awarded to two North Carolina 4-H Club members, one boy and one girl, having the best all-around record in club work, says L. R. Harrill, State 4-H Club leader for the State College Extension Service.

The two trips are being awarded by the Atlantic Coast Line Railroad, Mr. Harrill said, as continuing evidence of appreciation for 4-H Club work in its territory. Free trips will also be given to the outstanding boy and girl in other states which is served by the Coast Line.

National 4-H Club Camp is an annual event which is held each summer. The camp was established in 1927 and was held each summer thereafter until it became necessary to cancel the 1942 meeting on account of the war. It was resumed in the summer of 1946.

Beginning in 1928, and continuing each year, the Atlantic Coast Line has offered these trips as awards to outstanding members selected by the several State 4-H Club leaders.

Christmas Is Love . . .

flaming in the sky as
all the troubled

Christmas Is Faith . . .

leaping in the heart
from which fresh
visions of tomorrow
start . . .

Christmas Is Hope . . .

when all the living
grow great in the
simple act of
giving.
