HOLIDAY GREETINGS

Above all other things in our memory at this glad Yuletide is the thought of the splendid relations with friends of this organization who have made it possible for us to enjoy a very satisfactory year.

The warm spirit of the Holiday occasion reminds us that in our friends, not in our ledgers, do we find our real assets. There are many things that make us thankful this is our home, and for that reason we desire to extend Season's Greetings.

Please accept the kind wishes and sincere thanks of all of us. Best wishes for a Joyous Christmas and a New Year of much happiness, Good Health and Success for you and yours.
