

School Banking Discussed At PTA By Frank Forsyth

Plans for a school bank in Murphy schools are being discussed, following a lecture Monday night on the subject by Frank Forsyth, at the meeting of Murphy Parent-Teachers association. Mr. Forsyth pointed out that school banking first started in France, and the

first place it was practiced in this country was in Wisconsin. He stated that so far as he knows there is not a single school bank in North Carolina. The local P-T-A expressed a desire to be the first in the state to start the plan. The purpose of a school bank is to encourage the school pupils to save regularly and to teach them in finance and thrift. Through a school bank which would be operated by advanced students, deposits as small as a nickel can be made, and the pupil making the deposit has complete control of his account, being at liberty to check on it at any time, the bank is open, at the teller's window in the school.

Mr. Forsyth was presented by Mrs. Lloyd Hendrix, program chairman.

The devotional was conducted by the Rev. W. B. Penny. Miss Jo-Jo Moody played a piano solo, and J. L. Savage, vice-president, presided in the absence of the president, Mrs. W. A. Hoover.

H. G. Elkins was elected treasurer, to succeed Harry Bishop who resigned.

Miss Emily Sword, truant officer, made a report on her work. Mrs. Robert Weaver, room representative, called for report on attendance, and Mrs. Cloe Moore reported that clothing had been donated by several individuals and business firms and it had been used to clothe school children. Mrs. Lonzo Shields reported on an NCEA meeting in Raleigh Saturday. She urged her hearers
