### Donkey Ball Games Net Nice Profit For School

By I. B. HUDSON  
Basketball games held here Friday of last week were strictly a "get on, get up, and get going" affair from start to finish. Varying brands of equestrianism was displayed by the numerous riders. There were so many good riders and so many bad riders that the Scout would need a supplement to carry all the names, but typical good riders from the men's side of the affair were: (from the high school) "Rip" George, Arnold Garren, Billy Mintz; (from the outside) high rank should be given to the horsemanship of Mayor Arnold Dereberry, Blaine Blevins, Edwin Bristol, Mickey Hawk, Prof. Wade Lunsford, and Hugh Hamilton. Bill, Jr., and Floyd Teas, also showed fine discretion with horse-flesh.

For the women Mrs. Arnold Dereberry was "tops" and sometimes bottoms. But she stayed with her nag like Grant held on to Richmond, Miss Elizabeth Troxler and Miss Ruth Hamilton along with Mrs. Hazel Abernathy did credit to the Andrews school faculty. They doubtless will soon have a bid from Hollywood for the Westerns.

There were other Paul Reverses, and in this class should be mentioned Gordon Butler of Nantahala. Time would fail this reporter to classify and label all the types of horsemanship shown. Let it suffice to say that it was "good, indifferent and bad".

The school's profit from the games was \$92.56.

Mr. and Mrs. T. L. Lang, Jr. and Mr. and Mrs. Ted Wrecker, Atlanta, Ga., were week-end guests of Mrs. Ruth S. Pullium.

Mrs. James G. Pickett has returned home after spending three weeks with her husband in Pontiac, Mich.

Mrs. Blanche Carver, Hayesville, spent several days here the past week with relatives.

He stated that the St. Petersburg club with a regular membership of 260 had 630 visitors and 165 guests. He gave a thumbnail sketch of the program there which he said lasted for one and one-half hours.

Wade Reece exhibited articles of clothing - all red in color - including socks and necktie, which he had wrangled from the Rotary club in one way and another at one time or another. He claimed he had "won" them.

### Three Brooks Men Are Hurt During Week

ANDREWS—Jeff Brooks and his two sons, Floyd and J. V., had a run of hard luck the latter part of last week. As a starter J. V. was thrown from a donkey in the donkey basketball game here Friday night, and came out with a cracked shoulder.

Saturday at midnight, Jeff Brooks and his son Floyd were rendering wrecker service near Rhodia on U. S. Highway 19 to a Georgia car when they were struck by a car driven by Jake Williams. The car was owned by Grace Ledford. In the car also was Everett Hyde.

Mr. Brooks suffered a broken arm at the wrist, and Floyd was considerably lacerated about the forehead. His wounds required nearly a hundred stitches. Both were treated by Dr. Chas. Van Gorder.

The Ledford car was badly damaged. It was not in collision with the Georgia car or the wrecker. The wreck was investigated by State highway Patrolmen Galloway and Davis.

All the Brooks are able to be up, but two are carrying arm slings and the third is bandaged about the head.

## Rainy Weather is Duck Soup to the UNIVERSAL Jeep

"LET IT RAIN IF IT MUST!" That is what you will say if a Universal "Jeep" is at work on your farm. Just put on the top and get on the job. With the steady traction of its 4-wheel drive the "Jeep" just keeps on pulling, in spite of soft ground or slippery footing. You don't have to worry about 'impassable' roads. Four-wheel drive takes the "Jeep" through, helps you with spring towing and hauling jobs that must be done.

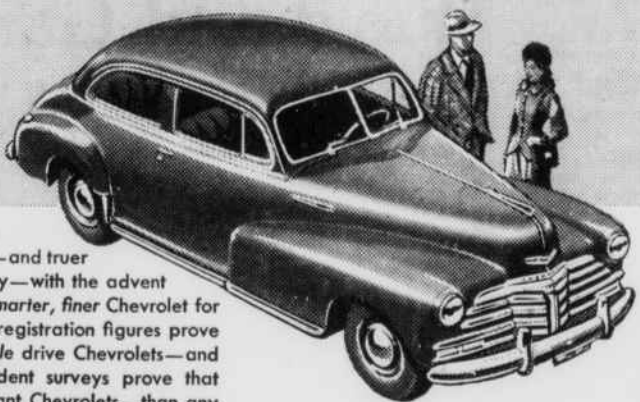

### GET A "JEEP" AND GET GOING

There are plenty of jobs the "Jeep" can do on your farm right now. When field tasks are completed or road work is done, your "Jeep" need not stand idle. Its power take-off delivers up to 30 h.p., operates many kinds of implements and farm machinery, helps make the "Jeep" America's most versatile farm tool.
