Whitaker Davis Accepted As Naval Cadet

ANDREWS — Whitaker Davis, has just been notified by the Navy department that he has been accepted as a naval cadet in the NROTC. His appointment will become effective with the opening of school in the fall semester. Davis will attend one of the approved NROTC institutions of higher learning, probably the University of North Carolina.

As a cadet Davis will receive a \$600 annual allowance from the Navy, and will have the cost of his tuition and textbooks also borne by the Navy. His appointment is good for a four year course.

In the 1947 edition of the American Council on education psychological examination which was administered to high school seniors throughout North Carolina, Davis made a high score of 99, leading all members of his class in Andrews high school. The next highest score here was made by Marie Watts, her score being 97. Miss Watts lives at Coalville, and is the daughter of Mr. and Mrs. Talmadge Watts.

Williams And Campbell Vows Are Said

ANDREWS—Mr. and Mrs. Sam Williams of Andrews, have announced the marriage of their daughter, Miss Ruth Williams, to Roger Campbell, son of Mr. and Mrs. W. L. Campbell of Yanceyville. The marriage took place at Yanceyville on March 20. The Rev. W. T. Baucum performed the ceremony.

The bride wore a sky blue two-piece suit with black accessories. Her corsage was of pink rosebuds.

Mrs. Campbell is a graduate of Andrews high school and for the past several years has been employed in Burlington.

Immediately after the ceremony the couple left on a wedding trip to Danville, Va., after which they spent a few days here with Mrs. Campbell's parents. They have returned to Burlington to reside where they are both employed.

It's NO. 1 on the "It" Parade

It's much the same way with cars as with people. Some "have it" — some don't. Some you go for, all out — without quite being able to lay a finger on why. And those — well, they usually become your firmest friends.

What is it that makes so many good folks say this trim honey's "got it"? Good looks? One has to admit it's nice to ride in a car that is unmistakably itself and not just a slightly modified version of something else.

Size, weight? Well, the polls tell us it's a pretty important factor since, if you like an automobile that does things, there just is no substitute for brawn and solid substance.

Power? Naturally. You can't sit long behind this big Fireball straight-eight without falling for it plenty hard.

Handling? Ride? Room? They all have their avid fans among Buick owners. Especially now with a completely new kind of engine mounting ironing out vibration build-up as never before, and in this Convertible model, with automatic top, door-window and front-seat adjustment.

Is it the wonderful new Dynaflo Drive* that's causing so much talk?

In ROADMASTER models that is certainly a big factor. You'll never know how silky smooth a drive can be — what fluent new ease there is to all your going — till you drive the car where liquid replaces both the clutch and first, second and high gears.

But as nearly as we can find out — and we talk to a lot of people — it isn't any one thing that puts Buick at the top of the "it" parade. It's the over-all richness of this honey in all the things you've dreamed of finding wrapped in an automobile.

Ask any friend who drives a Buick — then see your dealer and get a firm order in, with or without a car to trade.

BUICK alone has all these features

- * DYNAFLOW DRIVE (Optional, Roadmaster Series)
- * TAPER-THRU STYLING
- * FLEX-FIT OIL RINGS
- * VIBRA-SHIELDED RIDE
- * SAFETY-RIDE RIMS
- * HI-POISED FIREBALL POWER
- * ROAD-RITE BALANCE
- * RIGID TORQUE-TUBE
- * QUADRIFLEX COIL SPRINGING
- * SOUND-SORBER TOP LINING (Super and Roadmaster)
- * DUOMATIC SPARK ADVANCE
- * TEN SMART MODELS
- * BODY BY FISHER
