It's NOT For or Against TVA

To be for or against the needed TVA steam plant is not a matter of being for or against TVA! It's a matter of being for or against an ample power supply which our area and the Tennessee Valley must have if we are to continue our economic progress at the present rate.

Your U. S. Senators at Washington will appreciate a telegram or letter expressing your support of their efforts to have the Senate restore the TVA steam plant to the TVA appropriations bill.

Walker Honored In 25th Year With Company

Fred G. Walker, supervisor of stores in the Hendersonville area, has been welcomed into membership in the Great Atlantic & Pacific Tea company's 25-year-club composed of A & P members with more than a quarter-century of service.

Mr. Walker, who has been assistant superintendent in charge of A & P stores in the area surrounding Asheville for most of his years with A & P, started work with the food chain as a clerk in its 16 Broadway store. First A & P unit opened in Asheville.

Three weeks after joining the company, he was promoted to manager at Morganton. A few months later he returned to Asheville as manager of the 16 Broadway store, a position he held until he was promoted to assistant superintendent February 25, 1925.

Chief among messages of congratulations received by Mr. Walker were those from John A. Hartford of New York, president of A & P, H. M. Smith of Jacksonville, Fla., president of the company's southern Division, and P. M. Bealer, Jr., of Charlotte, general superintendent in charge of the Carolina's unit.

The new 25-year club member was notified that he will receive an extra week's vacation each year. He also was presented a substantial check.

The A & P official, a native of Black Mountain, married Miss Ruth Anne of Atlanta, Ga., in 1921. They have lived in Asheville since 1925. He is a member of the American Legion and a Mason.

Smithmont To Sponsor Show

Friends of Smithmont Farm Service have a treat in store for them on Friday and Saturday nights, May 28 and 29th when the Kasco Theatre Party comes here for the two evenings, at Peachtree and Martins Creek schools, respectively.

The principle ingredient of this "party" is a two hour program, of film fare. Chief among the films to be shown is the new feature-length sound picture "Kasco Cascades", filmed in natural colors. This picture takes the young winner of a Kasco contest on a trip to Niagara Falls with stopovers at the company's mills in Toledo Ohio and Waverly, N. Y. Scenic beauty combine with a bit of romance to make an interesting trip through the Kasco Mills and laboratories.
