The People who Know Johnson best

vote 2 to 1 For Scott

SIGNIFICANT—Johnson has spent the last 25 years of his life in Raleigh and Wake County. Scott has been in Raleigh and Wake County for the past 12 years. The people of Raleigh and Wake County have had a better opportunity to get to know them and judge their qualifications for public office than those anywhere else. It is always MOST important to know what people who are neighbors and who come into closest contact with candidates think of them.

The people of Raleigh and Wake County expressed their opinion of the two men at the polls Saturday. Here is what they said:
