Murphy Loses 1st Game To Franklin

On Friday, September 10, the Murphy football eleven lost to Franklin by a score of 18 to 0.

Franklin won the toss, so they kicked and stopped Murphy around the forty. Neither side could get deep in the other's territory until late in the first quarter where with a series of end sweeps Franklin brought the ball in a scoring position. They scored but missed the extra point to lead by a score of six to nothing.

Then easily in the second quarter Franklin again went around end to scoring territory where they scored again.

Then came the half and Murphy came back refreshed. Something must have happened during the half because those boys stopped Franklin dead in their tracks. This quarter went by fast with Murphy coming close to a scoring.

The fourth quarter was different though Murphy held them for the biggest part of this quarter. In the last minutes a Franklin back intercepted a pass and ran across the mid stripe before being downed. Then one of the Franklin back broke loose and brought the ball to the two yard line. The Puddlogs held them three straight times but on a line plunge Franklin got six points, the ball being just on the line.
