Mrs. Ruth Forsyth Hostess At Bridge

ANDREWS — Mrs. Ruth L. Forsyth entertained with a two-table luncheon bridge party on last Saturday at the home of her mother, Mrs. Goldman Lail.

The house was attractively decorated with arrangements of yellow and white chrysanthemums, and a delicious luncheon was served.

Those playing were: Mrs. Charles Van Gorder, Mrs. L. L. Ezzell, Mrs. Louise Rogers, Mrs. Jane Orr, Miss Eleanor Cover, Miss Meredith Whitaker, Mrs. Mary B. Derden, and Miss Polly Hicks.

Cold drinks and nuts were served during the afternoon.

High score prize was won by Miss Meredith Whitaker; low score, Mrs. Louise Rogers; traveling prize, Miss Eleanor Cover.

Legion Post To Sponsor Dance

ANDREWS—Carroll Day, Commander of the Andrews Post No. 97 of the American Legion, has announced that the organization will sponsor an Armistice Day Dance on Thursday night, November 11, at the school gymnasium. Sam Queen and his dance team will furnish the music.

Mrs. Mary Willie Rayburn has returned after spending a week with her son, Cecil, at Oxford.

Terrace Hotel Is Bought By Henderson Man

ANDREWS—The Terrace Hotel here which has been owned by W. T. Teas, Arthur Watkins and Frank Forsyth for the past two or three years, has recently been purchased by Jesse M. Baity of Henderson, and in the future this well known establishment will be operated by Mr. and Mrs. Baity.

Mr. Baity was in the hotel business for the past five years in Henderson. He was also for several years in the wholesale and retail grocery business.

Mr. Baity is a member of the Methodist Church of which he is a former steward. He is a past master of the Masonic Lodge, a member of the shrine, a former instructor in the Grand Lodge, charter member of the American Legion and V. F. W., and a Rotarian.

The Baitys have four children: Mrs. C. G. Bickers, Jr., of Henderson, Mrs. D. O. Elliott, Jr., of South Bend, Ind., Mrs. E. X. Hartnett of Greensboro, and a son, John, who is a senior at the University of North Carolina.

Miss Catherine Wilhide, Atlanta, Ga., spent last week-end with her parents, Mr. and Mrs. Frank Wilhide.

John Ellis, Davidson College, Davidson, spent last week-end with his parents, Mr. and Mrs. Luke Ellis.

Andrews Loses To Murphy 20-13

ANDREWS—Coach John Dulin brought a heavy, well-coached Murphy high school football team to Andrews Friday afternoon of last week, and left at the game's close with a 20-13 victory right in the bag over Coach Joe Sursavage's Wildcats.

Murphy, whose team played good football throughout the game, scored early in the second quarter after an Andrews fumble that left the home team with the visitors around their necks the entire first quarter. A few minutes later, after Murphy had kicked to the Andrews 5-yard line, Webb was caught behind his own goal line for a touch-back and two more points for the leading Murphys.

It required an eight-point lead to wake up the snoozing Wildcats after having had their tails chewed by Boomers for twenty minutes. From here on the 'Cats came back with a vengeance, and quickly, and following a few plays, Brownie Parker passed to Gordon Butler for Andrews first score. The half ended: Murphy ahead 8-6.

The second touchdown credited to Murphy, was made on the third play of the second half. From this point on, and before the 'Cats could again get their mind on catching Boomers and not referees, the visitors scored early again in the fourth quarter.

Then Brownie Parker took the Murphy kick-off on his own 30-yard stripe, and a few plays later after a couple of ground-gaining passes which were handled by Joe Wocack, Sam Webb took the ball over the latitude zero. Butler carried the ball for the only "extra" point of the game.

Crescendo Music Club Organized

ANDREWS — The Crescendo Music club, a newly organized Junior club, composed of the pupils of Mrs. J. G. Carrier, held their first meeting Saturday afternoon, at the home of Mrs. Carrier.

In an impressive candlelight ceremony the following officers were installed: President, Miss Betty Jean Greenwood; vice-president, Miss Betty Heaton; secretary and treasurer, Miss Carolyn Lime.

The club has joined the North Carolina Federation of Music Clubs.

Committees for the coming year were appointed by the president.

A musical program was presented by the following: Jean Bristol, Jane Smith, Mary Ruth Gibson, Rosetta Williams, Wynona Dupree, Shirley Matheson, Judy Bristol, Dorcas Anne McGuire, Virginia Huffman, Anna Marie Butler, June Lunsford, Carolyn Dupree, Betty

Norma Fay Fair And Clyde Curlee Are Married

ANDREWS—Miss Norma Fay Fair, daughter of Mr. and Mrs. G. C. Fair of Andrews, and Clyde Demont Curlee, son of Mrs. Etta B. Curlee and the late Paul E. Curlee of Charlotte, were married last Saturday night at 6 o'clock in Central Methodist Church in Charlotte.

Rev. Earl H. Brendall officiated. Arrangements of fern and greenery, white flowers, and seven-branched candelabra holding lighted tapers decorated the church.

Prior to the ceremony, Miss Dorothy Robinson, organist, presented a program of nuptial music, and Miss Jean Quinn sang "I Love You Truly" and "Because". The wedding march from "Lohengrin" was used for the processional and Mendelssohn's march as the recessional.

There were no attendants, and the couple entered together. The bride wore a royal blue suit with grey accessories and carried a white prayer book topped with a white orchid showered with ribbon streamers and small white flowers.

Later the couple left on a wedding trip to Washington and upon their return will be at home at 1416 Matheson avenue.

Mrs. Curlee was graduated from Andrews high school, and from Presbyterian Hospital School of Nursing of Charlotte. The bridegroom was graduated from Matthews High school of Charlotte, served a year in the Navy, and is owner of Careful Cleaners there.

Miss Frances Mashburn, Oak Ridge, Tenn., spent last week-end with her aunt and uncle, Mrs. Laura Seay and J. A. Mashburn.

Heaton, Sue Hall, Betty Jean Greenwood and Carolyn Lime.

During the social hour refreshments were served and a musical contest was conducted by Betty Heaton.

Andrews Elementary School Is Placed On Accredited List

ANDREWS—Boyd B. Robinson, principal of the Andrews Elementary School, has been notified by the North Carolina State Department of Public Instruction that the Andrews Elementary School has been placed on the Accredited List of elementary schools in this state. Some time ago Miss Madeline Tripp from the State Department of Public Instruction spent one full day in checking the school for possible accreditation. As a result of this check, the State Department of Public Instruction found that the elementary school met all the necessary requirements for a standard elementary school.

Principal Robinson states that the meeting of the requirements for accreditation of the Andrews Elementary School has been six years in the making—with the teachers, the pupils, and the people of the community lending a hand. Six years ago there were some rooms without a set of supplementary readers or a library book. Now, the school has five or more sets of supplementary readers for each of the twenty-five classrooms and three library books for each

pupil enrolled in the school. There are now approximately 3,000 books in the elementary school library. Maps, easels, lunch cabinets, and all other necessary instructional supplies have been added.

In some of the primary classrooms, which used to be high school classrooms, the blackboards were too high for the small children. These blackboards have been lowered to suit the primary children. Many other adjustments and corrections have been made.

The Andrews Elementary School is one of the fifteen largest elementary schools in the state and all fifteen of these schools, with the exception of two, are on the accredited list of elementary schools.

Supt. I. B. Hudson says, "Boyd B. Robinson, elementary principal, and his corps of twenty-five teachers have worked consistently

over a period of several months in an effort to meet standardization requirements. The Andrews City schools have supplied all possible funds in the effort. Also, the P. T. A. has helped along with the Rotary Club and the Konnaheeta Club with financial donations. The Konnaheeta Club, with Mrs. Jane C. Orr as chairman, raised several hundred dollars which were donated for that purpose.

"The Andrews Elementary school was previously accredited in 1935 in Group II, Class B. However, the school lost its status as a standard accredited school at the close of the school year 1939-1940 because of its inability to meet certain requirements then beyond its control.

"Five new classrooms were built and made available to the school a year ago at a cost in excess of \$18,000."

Mrs. Tom Hay Hostess To Class

ANDREWS—Mrs. Tom Hay entertained her Sunday School class at her home on Wednesday, October 27, with a weiner roast.

Those attending were: Miss Jackye Ellard, Miss Betty Heaton, Miss Carolyn Lime, Miss Peggy Moore, Miss Anne Higdon and Miss Ruth Nichols, members, and guest, Miss Jean Taylor. Two members, Miss Betty Sue Nichols and Miss Lorraine Timko, were unable to attend.

After the roast the group played, sang, played records and danced.

One look!...
One ride!...
You'll know it's...
the modern design for '49
new Hudson

Come in, see the car that's years ahead—drive the New Hudson—experience the amazing roadability, comfort and safety of the only car you step down into!

Here's your chance to get the thrill of a real discovery—to see and feel what one of the great advances in motor-car history offers you.

You'll see a Hudson of distinguished, streamlined beauty and low-built silhouette that is instantly recognizable because it is the natural result of a basically new design principle—a principle that puts this car so far ahead it is a protected investment in motor-car value!

The key to this new design principle is a recessed floor. The New Hudson is the only car you step down into!

By using a "step-down" zone in an exclusive, all-steel Monohilt Body-and-frame, Hudson achieves the lowest car on the highway—only five feet from ground to top—while maintaining more head room than in any mass-produced car built today!

But no amount of looking at this amazing car—beautiful as it is—can equal the thrill of a Hudson ride! And you are invited to enjoy that ride today!

Hudson has a smooth, bug-the-road way

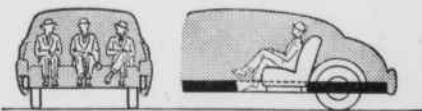

of going in cross-winds and on every conceivable kind of highway. When you see the way it takes even the sharpest curves, you'll know once again that this car has "The modern design for '49"—and for years to come!

Hudson's remarkable ride is largely due to the fact that its "step-down" design provides the lowest center of gravity in any American stock car—yet road clearance is ample! It is a widely recognized fact that the lower to the ground a car can be built, the more stability it will have and the safer it will be.

You sense a delightful conformity to the road the minute you begin your ride, and this stability, plus the protection of riding encircled by a sturdy box-section steel frame, is a grand experience in serene, safe well-being.

This grand feeling is further heightened by the remarkable ease with which this car is controlled. You enjoy this generous roominess in complete relaxation as the New Hudson glides smoothly along.

We cordially invite you to see and drive the New Hudson, to thoroughly enjoy the ride that comes only with "The modern design for '49!"

HUDSON FLOORS are recessed down within the frame (as shown above), seats are lowered, so you get more than ample head room in this car with the new, lower center of gravity.

YOU RIDE DOWN within a base frame (as shown above), and rear seats are positioned ahead of the rear wheels so that full body width becomes available for wonderfully roomy seats. Box-section steel girders completely encircle and protect the passenger compartment.

TRY AUTOMATIC GEAR SHIFTING in forward speeds as provided by Hudson's Drive-Master transmission—by far the easiest of all ways to drive. You can accelerate as long and as fast as you like in pick-up gear, then lift your toe momentarily, and you're in high. The shift into high comes only when you are ready! Button control on the instrument panel provides instant change to conventional driving if ever desired. Drive-Master transmission is optional on all New Hudsons at small extra cost.

The only car you step down into
