

Andrews PTA Has Meeting

ANDREWS — The Andrews Parent-Teachers Association met in the high school auditorium on November 9th with Mrs. Wendell Morris, president, presiding.

Reports were made from various committees. Miss Elizabeth Kilpatrick made a financial report.

Mrs. Morris spoke of the success of the "Harvest Sale" and a vote of thanks was given Mrs. Grant Phillips who was chairman of the harvest sale.

Mrs. Morris gave a report on the budget as follows: School lunches for needy children \$75.00, clothing for needy children \$200.00, work on school grounds \$30.00, delegate expense to state convention \$25.00, high school library \$100.00, equipment for elementary school \$100.00. The budget was accepted by the association.

Mrs. Chas. Huffman reported that she had no information as yet, in regard to the school boy patrol which was suggested at the October meeting.

The P. T. A. agreed to renew the Cub Scout charter for the coming year. Mrs. Lucy Laughter, Mrs. Jane Orr and Mrs. Galusha Pulliam were asked to serve on the committee to secure Cub Scout officers.

Mrs. Bill Cathey, clothing chairman, reported that \$44.45 had been spent for clothing for needy children and about \$200.00 worth of clothing had been donated and distributed to the children.

Mrs. Joe Smith stated that the grade parents had been selected

for all of the rooms and that she would give a detailed report at the next meeting.

Mrs. C. S. Freel, hospitality chairman, extended a welcome to all who were present and especially to the new members.

Mrs. Tom Hay gave an account of the membership drive Mrs. Al Browns room won the prize for securing the most members. She also won the prize for having the most parents present.

Miss Jean Christy extended an invitation to everyone to visit the library to see the new fluorescent lights that were given the school by the Konaheeta Club.

The Rev. T. Earl Ogg, pastor of the Baptist church, was introduced by Mrs. Morris. He spoke of the parents and teachers responsibility in training children for freedom in our land. The teacher's responsibility is to teach boys and girls. They must teach values, rights and duties as citizens. The purpose of education is to teach people how to live. The influence of the teacher is felt more keenly outside of school than in the schoolroom. The teacher cannot develop character without the parents. We need christian homes. Rev. Ogg referred to David's cry over Absalom. David was a failure as a parent because he shifted the responsibility to someone else and set a bad example. He closed his talk with a prayer.

Refreshments were served by the Home Economic Girls under the direction of Miss Meredith Whitaker in the high school library. Mr. Hudson presented everyone with a pencil.

CARD OF THANKS

We wish to thank our many friends and relatives for their kind and thoughtful acts and the beautiful flowers they sent during the illness and death of our dear wife and mother.

F. T. Hollaway and children

North Carolina is one of 30 states in which the mysterious "X-disease" of cattle has been found.

Yes, Mike won our pig-growing race. Not only was he bigger than Ike, but it cost less to put 100 lbs. of gain on him, too: proof that it really pays to feed Purina. When you're in town drop by our store and see the figures on this race.

DO YOU KNOW —

that about 18% of accidents are caused by defective automobiles?

With the average age of cars on the road now 9 years, this high rate can't be reduced unless owners keep their old cars in good condition. If your brakes grip unevenly, have them adjusted; if your lights are inadequate, have them fixed. Investing in car repairs is an investment in your own life.

This message presented in the interest of our policyholders and all other motorists of this community.
