#### **Become A Member Of Dogwood Club**

Special attention is being called by state organizations, to planting of dogwood trees this month.

The dogwood grows profusely in this county, and in the springtime when it blooms gives the woods a beautiful dress. However, there are very few trees planted around the homes in the county.

To promote the use of dogwoods as decorative trees in the yards, on the farms and along the roadsides of the county. The Cherokee Scout is this week starting a Dogwood club. The name of every person who reports to the paper that he or she has planted a dogwood tree on his place this winter will be listed as a member of this club. The first member has not yet been named. Who will it be?
