

Make Plans For 4-H Dairy Foods

Plans for the 1949 National 4-H Dairy Foods Demonstration program are under way in North Carolina, according to the State Extension Service. It is the only nationally sponsored 4-H Club program devoted entirely to demonstration. Members enrolled in a 4-H Foods project may participate. Last year North Carolina named 105 county winners. State honors for individual went to Hazel Garris of Farmville whose demonstration was given 11 times to a total of 502 persons. It was "Drink Your Way to Health" Dorothy Shields and Mary Farmer, both of Cherokee county, won the team award with their demonstration, "A Simple Dessert for Every Day Use," which they presented 35 times. Based on a survey of 41 states conducting the 1948 program, an average of 32 persons attended the 3,758 dairy foods demonstrations given by 4-H'ers. The program seeks to show the value of dairy products to general health. Uses of dairy foods and skill in preparing tasty dishes are demonstrated. Subjects relate to the preparation, manufacture or use of dairy products including fresh or evaporated milk, malted milk and ice cream. Eight new awards based on demonstration records and general achievement are offered by the Carnation company this year. They are trips to the National 4-H Club Congress in Chicago, November 27 to December 1. County winners will again receive a gold filled medal, while individual and team champions in each state will get a 17-jewel gold watch. The Cooperative Extension Service supervises the program.

About one-third of the South's total cash income last year came from cotton. Lint brought in 1 1/2 billion dollars, and cottonseed brought in one-fourth of a billion.

"NOTICE OF SPECIAL BOND ELECTION TO BE HELD ON JUNE 4, 1949, ON THE ISSUANCE OF TWO HUNDRED MILLION DOLLARS STATE SECONDARY ROAD BONDS, AND TWENTY-FIVE MILLION DOLLARS STATE SCHOOL PLANT CONSTRUCTION AND REPAIR BONDS.

The people of Cherokee county will take notice that Governor Scott has called a special election to be held on June 4th, 1949, on the two propositions of whether the State of North Carolina shall issue two hundred million dollars in bonds for paving and repairing secondary roads in the state, and the issuance of twenty-five million dollars to be used by the counties for school plant construction and repairs. Under instructions from the State Board of Elections the registration books for this special election will open on Saturday, May 7th, at 9:00 o'clock, and remain open until sunset on Saturday, May 21st. The various registrars in the county will be at their polling places for registering voters on the three Saturdays of May 7th, May 14th and May 21st.

This is not a special registration, therefore all persons who are now registered on the general election registration books will not have to register again for this special election. If you are not now registered in the general election registration book in your residence precinct, you will have to register to vote in this special road and school bond election. If you are not certain you are properly registered now, you had better check with your precinct registrar on one of the three Saturdays mentioned above."

EXHIBITS Department A

1. CLASS A GENERAL FARM EXHIBITS
The farm display must represent the individual farm and farm activity of the exhibitor. Each item in this display should be a miniature exposition and it should be the purpose of the exhibitor to make each item carry the proper relationship in showing a well balanced farm and home program.

The display should be balanced with not too much of any one thing being represented. It is not so desirable to just collect a number of items, but rather to make the exhibit reflect the entire farm operation.

Regardless of the score card the display should be attractive and appealing to the eye. It should prove educational so that practical lessons may be drawn from it by farmers and others with reference to farm and home management as well as production and marketing practices.

The premium money offered in this department is sufficient to warrant the best efforts of the exhibitor and exhibitors are assured down to the fifth place of a premium which will help defray the expenses of bringing an exhibit to the fair.

A neat sign identifying the farm and farmer should be displayed with each exhibit.

Entry blanks will be furnished upon request to the Secretary of the Fair. Your entry on proper blanks must be in by Saturday, Noon September 17.

Each exhibitor will be required to file an affidavit with the Secretary of the Fair not later than Noon Monday, September 26, that all agricultural products shown in the display were produced on his farm.
