Mr. J. R. Gathings, Box 19, East Rockingham, N. C., is one of the recent users of Scalf's who volunteers his public praise for Scalf's Indian River Medicine. Mr. Gathings lives where Scalf's had not been introduced. He read

about it in the newspaper and ordered it through the mail. He writes: "For two years I suffered from a poor appetite and spells of indigestion, causing 'heart burn' so bad that at times I felt like my stomach was on fire. I tried many treatments but nothing gave relief. I ordered Scalf's from the Charlotte Drug Co. and it helped me so much I told my friends about it. They gave me the money to order Scalf's for them and now many of them are big boosters for Scalf's. My boss was suffering so from indigestion that he tried it and now he declares Scalf's is worth \$500.00 a bottle.

"Before I started on Scalf's I could eat no meats of any kind. Now I eat anything with no fear of later suffering. I cannot find words to praise Scalf's enough for I believe that it is a God-sent remedy to suffering humanity."

Mr. Gathings is an honest, conscientious man who has worked in the textile industry for 34 years. His letter was unsolicited and speaks for itself. If you are in need of a good stomach tonic, try Scalf's. Here's a rockbound guarantee of satisfaction or your money back on the very first bottle. On sale at all good drug stores. Nothing Replaces Scalf's Years Of Use.
