MARCH OF DIMES

Five-year-old Nesbiti (Nebbie) Ann Burdsall of Midwest City, Okla., is back in school today after 13 months of hospitalization. Nebbie was stricken with infantile paralysis in June, 1948, her spine, right shoulder, arm and hip, her left shoulder and leg severely affected by the crip-pling disease. Oklahoma County Chapter of National Foundation for Infantile Paralysis and Nebbie's parents report expenses for first 15 months as detailed above. For years to come, expenses will continue—in diminishing degree. Happiest item: special shoes, \$5.70, proof that Nebbie can walk again. Large part of cost of care and treatment for thousands of polio victims is earried by National Foundation through contributions-to March of Dimes drive, January 16-31.

meeting of the Andrews Rotary Club, Laiz Franca Lessa of Rio de Janeiro, Brazil will speet of his experiences as a Rotary scholar at Lenoir Rhyne College, Hickory. The program is in charge of the International Service Committee of which Jack McCraney is chairman.

Olen Stratton, president of the club, is urging a good attendance to hear Lessa who is the Rotary student of the 280th District of Rotary International of which the Andrews club is a member.

At the District Conference, held last April in Hendersonville, the Rotarians of the District agreed to establish a fund which would permit some worthy South American student to come to the western part of North Carolina in order to attend one of the colleges of this section and at the same time visit among the Rotary Clubs. Laiz Lessa was the young man chosen by the Rotary Club of Rio de Janeiro to be the recipient of this award. He arrived in Hickory last September and 'enrolled at Lenoir Rhyne College in Hickory where he is taking courses which will prepare him for his chosen profession as teacher of English in

his native Brazil. Laiz Lessa is a senior at Rabello tist Church with the Rev. Robert

Half Of Motorists Do Not Have Their 1950 Tags

Although approximately two weeks remain in which motorists may purchase their 1950 license plates, less than half have obtained their new tags, the North Carolina Department of Motor Vehicles reports

The delay on the part of motor vehicle owners in purchasing their 1950 plates makes it evident that a rush will occur at the 73 licenses offices in the State as the January 31 ceadline approaches, the Department states

Approximately 450,000 tags have been sold to date. More than a mil"on motor vehicles now are operating in the State and each must carry a new license after midnight of January 31, Molorists upprehended after that time without the 1950 plates on their vehicles will be subject to prosecu-
