## Hadacol Helps Grocer Work Hard, Long Hours

There is plenty of hard work and long hours in the retail grocery business and this is especially true for Paul Earnhardt, 816 South Church St., in Salisbury, N. C. Mr. Earnhardt works long hours at the Earnhardt Super Market in Salisbury, one of the largest and most modern grocery stores in that thriving section of North Carolina.

The grind began to tell on Mr. Earnhardt about three months ago and he wondered for a time whether he would be able to carry on at the same rigid pace. But that was before he heard the blessed news about HADACOL.

"I have been taking HADACOL for three months," said Mr. Earnhardt. "I was weak, run down, nervous, had difficulty sleeping at night, nervous indigestion, gastric disturbances, headaches, suffered with stomach bloating and gas pains around my heart. After the third bottle, I started gaining weight, had no gastric disturbances, headaches or gas pains. I never felt better and work long hours. I recommend HADACOL."

Mr. Earnhardt, like so many thousands of other suffering people, had tried many preparations without beneficial results before he heard the wonderful news about HADACOL.

Mr. Earnhardt puts in long, hard hours at the Earnhardt Grocery store now but is again his usual cheerful self and when his friends comment on his improvement he advises them to give HADACOL a trial.

Mr. Earnhardt was suffering from a lack of B Vitamins and the Minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances . . . Your food will not agree with you . . . You will suffer from heartburns, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL. So it matters not how old you are or who you are . . . it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial. Accept no substitute.

Insist on the genuine HADACOL.

Sold at all the leading drug stores. Trial size only \$1.25, but save money—buy the large family and hospital size—only \$3.50.

We are so firm in our belief that HADACOL will help you that we sell HADACOL on a money-back guarantee. If you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.
