Hangingdog Church Is Dedicated Sunday

Dedication Service at Hangingdog Baptist Church Sunday was attended by a large crowd, it being a "homecoming" for many former pastors and members of the church.

The Rev. Robert Barker preached the dedication sermon, using as his topic, "The Dedication of the Temple", using the story of the dedication of the Temple which Solomon built. He quoted from Kings: "And the Lord said unto him, I have heard thy prayer and thy supplication, that thou hast made before me; I have hallowed this house, which thou hast built, to put my name there for ever; and mine eyes and mine heart shall be there perpetually." He told his congregation that the eyes and heart and hands of the Lord are constantly on the church He loves.

The program opened at 10 a. m. when music was given by the choir. The welcome address was made by the pastor, the Rev. W. T. Truett, and the Rev. Fred Stiles responded. W. A. Adams gave the history of the church, and A. D. Kephart gave the history of the Kephart family which contributed money for building of the church. Lunch was served following Mr. Barker's sermon.

PRIZE WINNING BOOTH—First prize for the club's exhibit, entitled, "Nutrition Express", is pictured here. Home Demonstration Club exhibits at the recent Cherokee County Fair went to the Murphy Club.

Nutrition Express Takes First Place In Home Demonstration Exhibits

Murphy Home Demonstration Club's exhibit on "Nutrition Express" took first prize at the Cherokee County fair held recently. The booth was built around the basic seven foods needed for a well-balanced diet. The "Nutrition Express", a train engine, was seen pulling seven loaded boxcars through the little town of "Healthful Vista". Each little car was loaded with one of the seven basic foods.

The first car was filled with green and yellow vegetables; the second car held oranges, tomatoes, and grapefruit; the third car contained potatoes and other vegetables and fruits; the fourth car was loaded with milk, cheese and ice cream; the fifth car held meat, poultry, fish and eggs; the sixth car contained bread and cereals; and the seventh car finished the seven groups by carrying butter and margarine.

Each car was the same color as the group which it represented on the basic seven chart which was displayed in the background. Streamers of the same color crepe paper as used in each group on the chart made a beautiful color wheel around it. The colors used were green, orange, pink, white, yellow, blue and brown.

Attractive and meaningful signs displayed along the railroad track added humor as well as meaning to the exhibit. Some of the signs used were, "Decayed Tooth Hollow", "Fat Man's Ridge", "Blind Crossing", "Malnutrition Tunnel", and others.

Mountains covered in trees were used in the background, and a beautiful little town lay peacefully in the valley.

The Crusade was launched nationally on Monday, September 4, with a radio address by General Eisenhower but did not get under way in the Carolinas until October 1. Now, because of the campaign's growing momentum throughout the state and nation, the closing date has been postponed until the 24th of this month.

More than a million Americans have already signed the Freedom Scrolls. As a result of the extension, it is hoped that the total number of scroll signers will reach five million. North Carolina's quota in this vital drive to combat the high-g geared Soviet propaganda machine and keep the world free from Communism is 160,000 signatures. However, state Crusade officials are hoping that as many as half a million Tar Heels will sign the scrolls.

Murphy Bulldogs Bow To Maroons

The Murphy High Bulldogs were defeated by the Swain High Maroons of Bryson City Friday night by a score of 26-7.

The Maroons scored twice in the first period both on long drives with Mack Hyatt and Gene Anyel doing most of the running. The second quarter had Bryson City controlling the ball most of the time. They twice drove past the Murphy 20 yard line but the Murphy line led by Dockery, Mulkey and Zimmerman rose up and kept them from scoring. Murphy could do little though around the big Bryson City line, and the half ended 12 to 0.

Murphy took the kickoff to start the third period and promptly started a drive that led to their only touchdown, with Fred Coffey and Bobby Boling doing most of the ball-carrying, and Glen Swaim leading the way with some nice blocking. The touchdown came on a beautiful 45 yard pass play from Coffey to Wade Zimmerman. This was the first touchdown scored against Bryson City in conference play. Bryson City took the kickoff and marched for another touchdown with Mack Huatt doing most of the ball-carrying. The fourth period found Murphy able to move the ball but they were not able to put on a scoring drive. Bryson City put on their final scoring drive in the fourth period on a long drive with Hyatt again doing most of the ball-carrying.

Outstanding for Murphy were Sherrill, Dockery, Mulkey and Zimmerman looking good in the line and Coffey, Boling and Swaim were outstanding in the backfield. For Bryson City it was Hyatt and Anyel and Lambert in the backfield and Cope and Freeman were outstanding in the line.
