national scholarship fraternity, in elections held recently by the organization at Duke University.

Candidates for election to Phi average for the final 60 semester hours prior to graduation.

Hudson has had an outstanding scholastic record. At the end of his elementary school work in the local elementary school he was awarded the Fanny Sue Hobbittzell memorial scholarship medal. Later attending Lumberton high school where he went to live with his aunt, Mrs. B. H. Stansel, a teacher in that school; and for the further purpose of having the advantage of a high school band of which he was a member for four years, he graduated as valedictorian of his class. In his high school junior year he was a state representative in the American Legion oratorical contest. In his senior year he was president of the student body of his school. The same year he successfully qualified for membership in the NROTC, and was appointed a midshipman by the Secretary of the Navy. Having attended Duke University since that time he is scheduled to graduate with the 1951 class.

## Wise Mothers FIND NEW RELIEF!

For STUFFINESS, COUGHS of COLDS  
Wise mothers know how really effective Vicks VapoRub is when you rub it on.  
Now, for amazing new relief when colds cause coughing, upper bronchial congestion, or that "stuffed-up" feeling, modern mothers use VapoRub this special way, too—in steam! It brings relief almost instantly.  
Put 1 or 2 good spoonfuls of VapoRub in a vaporizer or bowl of boiling water, as directed in package. Then... breathe in soothing, medicated vapors. Every breath eases coughing, relieves that "chokey" feeling. For continued relief—even while you sleep—rub it on, too.
