

Fifty Graduates Receive Diplomas

With memorable final graduating exercises held in Andrews Friday evening in which diplomas were awarded to fifty graduates of the high school before the largest attendance ever to be present here for a similar exercise the 1950-51 session of the Andrews schools came to an end.

By request of the senior class, Supt. I. B. Hudson who is leaving the Andrews superintendency after sixteen years of service, made the literary address to the graduates. His topic was "Facing Reality". Other speakers on the program were Margaret Marr who as salutatorian spoke on the topic, "Glancing Backward, Looking Forward", Jerry W. Reece, the outstanding senior had for his topic "Appreciation", and Marks D. Hudson had for the topic of his valedictory "Esse Quam Videri". The high school chorus sang "Incline Thine Ear" by Himmel, and "The Lost Chord" by Sullivan. Following

the valedictory ten girls sang "The Green Cathedral" by Hahn.

Diplomas were awarded by Dr. Gerald Almond.

Jerry W. Reece took the vast audience by surprise in announcing that the junior and senior classes had established a medal to be awarded annually to that senior who was most outstanding in Character and Leadership. He announced this year's winner as George Pullum, Jr., son of Mr. and Mrs. George Pullum of Andrews. L. B. Nichols was surprised when called from the audience to make the presentation. The medal had the following engraving: "Character-In Honor Of-Mr. and Mrs. I. B. Hudson-Leadership". Reece stated that medals for three additional years were already provided for.

Other prizes and awards were as follows: Frank Conley (senior) citizenship; Jimmie Cathey (junior) citizenship; Margaret Marr, The Emily Post Blue Book of Etiquette; Mildred Holloway, basketball; L. V. Blaylock, football; Lawin Truett, basketball and football; Gene Angel, basketball; Sara Clark, merit award; Hoyt Lunsford, highest scholarship in the school (95.5); Geneva Cochran, American history; Carrol Phillips (junior) dramatics; Betty Lu Taylor (senior) dramatics; Jewell Truett, home economics; Betty Kilpatrick, typing; Marks D. Hudson, The Reader's Digest award. Jerry Reece received the Wilhide Memorial medal as outstanding senior.

Three former school board members were called to the stage, and were given gold fountain pens. Those getting pens were H. M. Whitaker, former board chairman, and board member for the past 28 years; W. A. Puett, member for the past ten years; and John H. Christy, member for the past ten years.

A gold watch was given to John G. Tatham, chief school custodian for the past eleven years. Awards and certificates were made to three school bus drivers: Daie S. Starnes, Paul Anderson and Glenn Palmer.

Mention was made during the evening that Mr. and Mrs. L. B. Nichols had attended the commencement exercises here without interruption for the past 31 years.

The complete evening's exercises were pronounced by many as the most satisfying ever held here. The large audience on the main floor and in the balcony was always attentive and most impressive.

Graduates were as follows: Bertha Apple Lee Adams, Clara Jean Adams, Mildred Gibson Allison, Claud Eugene Angel, Betty Ann Barton, J. V. Brooks, J. B. Buchanan, Sallie Mae Buchanan, Ella Mae Clark, Sara Elizabeth Clark, Dorothy Joy Conley, Frank Conley, Doris Alene Crawford, Sallie Craw-

Center of Attraction

When the control station of the Military Amateur Radio System was dedicated at The Pentagon in Washington, D. C., Col. Mary M. Laffer found herself the center of attraction. Watching this Wac radio operator tap out a message were (left to right): Maj. Gen. F. L. Ankenbrandt, Air Force director of communications; Maj. Gen. S. E. Akin, chief signal officer of the Army; Secretary of the Army Frank Pace, Jr.; and Secretary of the Air Force Thomas K. Finletter. There's plenty of opportunity in the WAC for young women interested in radio and scores of other technical fields.

DECORATION

The decoration at Snow Hill Baptist Church will be held Sunday, June 10. Everyone who has an interest in the ceremony is urged to come and help clean it off.

CARD OF THANKS

We wish to thank our many friends for their kindness and the beautiful floral offerings during the death of our Daddy and Mother, Mr. and Mrs. Floyd Oliver who passed away recently.

Ralph Jordan Is 4-H Club Winner

Ralph Jordan, a 4-H Club member of Andrews, has learned at an early age that good stock, plus good management, makes an unbeatable combination with livestock and poultry, according to County Agent A. Q. Ketner. Ralph has been in 4-H Club work less than two years and already has two of Cherokee County's outstanding 4-H projects started.

Last year Ralph entered his first 4-H Club calf in the Junior Dairy Show at Asheville. This entry, an excellent Guernsey heifer placed in the red ribbon class, says Mr. Ketner. Ralph, being satisfied with nothing less than a blue ribbon, determined to win one next year. At the recent Murphy Purebred Guernsey sale, Ralph bought the top-selling open heifer as a foundation animal for the

SPEND LESS for fuel for labor

with this tractor-mounted FERGUSON DISC HARROW

Lighter in weight, stronger in construction, the Ferguson Tractor-Mounted Disc Harrow costs less to use than any other you can buy. Because Finger Tip Control of penetration is achieved through the tractor's Ferguson System, there is no need for excess weight . . . and there are no extra fuel costs for dragging such weight back and forth across your fields.

And you can disc most fields in third gear with your Ferguson Tractor . . . cover up to 33 acres in ten hours with the eight-foot model Disc Harrow. Because you can finish a field sooner, your labor costs are lowered . . . and the time you save can be applied to other work.

Next time you come this way, make it a point to stop in and hear about the ten or more advantages built into Ferguson Disc Harrows. Every one of these helps you do a better job . . . faster and with big savings in fuel and effort.

How can you Tell till you Try It?

THE days and weeks are slipping by—and what have you done about it?

What have you done to find out how it feels to handle a high-powered and high-spirited '51 Buick?

We'll tell you this. In all the years that Buick has been building fine automobiles, there's never been the match for this one.

This is a car that likes to be compared—for power, for performance, for ease of control, for ride, and room, and comfort.

We can tell you its valve-in-head Fireball power sinks you back in the cushions at the touch of your toe.

We can tell you it's nimble-footed in

traffic, or that it conquers hills with smooth and exultant momentum.

We can tell you it hugs the road and holds the curves as if it were drawn by an invisible magnet.

We can tell you that it has big, soft coil springs on all four wheels—or that its gas mileage will put a smile on your face.

We can tell you that Dynaflo Drive*

No other car provides all this:

DYNAFLO DRIVE* • FIREBALL POWER • PUSH-BAR FRONT 4-WHEEL COIL SPRING • WHITE-GLOW INSTRUMENTS DUAL VENTILATION • TORQUE-TUBE DRIVE DREAMLINE STYLING • BODY BY FISHER
