HUGH HAMILTON

Hugh Hamilton Is Andrews Coach

Hugh Hamilton, better known as Pee Wee Hamilton, son of Mr. and Mrs. Boyd Hamilton of Andrews, has accepted the position of coach of Andrews High School for 1951-52 and will also teach mathematics. Hamilton graduated from Andrews High School with honors in 1944 and made quite a name for himself and Andrews High School before his graduation.

After graduating from Andrews he entered Western Carolina Teachers College, Cullowhee where he made headlines in football. He was inducted into the Navy in 1946 where he served two years. From the Navy he returned to WCTC, Cullowhee, to continue his education. After his graduation from there he entered Peabody College, Nashville, and is there at the present time and will get his M. A. in Educational Administration and Physical Education Aug. 17.

In everyday life Pee Wee looks like an average runt of a man, but in a football uniform he looks very much like the 140-pound power-laden pill that he really is at football. Local people say Andrews is fortunate in securing Hugh as a football coach and are looking forward to his leading his boys to victory as he himself did.

Hamilton is the grandson of Mr. and Mrs. Harve Hamilton of Andrews. He is a member of the Methodist Church. He is married and plans to bring his family here to live in the near future.

Rattle Snake Eats Last Eggs

Charles Johnson killed a black rattle snake that had twelve rattles and was three feet long Tuesday morning. His father, Leonard Johnson, went to the barn in the early morning and in trying to gather some eggs, he discovered the snake coiled, apparently ready to attack.

It was with some difficulty that the two found the snake again, after Mr. Johnson called his son, and when they did he was only a few inches away. Charles shot the snake twice.

Mrs. Johnson says that for several weeks she has been missing many eggs, and she thinks the snake had been the offender.
