## Long-Range Forestry Program Is Planned

### Street Paving Program Proposed

At the regular meeting of Andrews Rotary Club Thursday at Junaluska Terrace Hotel Rotarian Bill Whitaker and Mayor P. B. Ferebee made short talks.

They said they were anxious to arouse interest in a three-way proposition by the Town of Andrews paying one third and property owners on each side of the street paying one third each to get some of the more important streets in Andrews paved.

Mayor Ferebee advised the group that the town had ordered permanent markers for most of the streets in town advising that all streets in Andrews do have names and will be identified as soon as these markers can be identified.

The Rotarian reporter stated that he felt that the mayor and board of aldermen are to be commended for the movement of erecting permanent name markers for the streets in the town.

A number of visitors were present for this meeting among which was the Rev. W. Jackson Huneycutt who was making up a Rotary attendance, and his guest, the Rev. Mr. Frazier of Robbinsville, where Mr. Huneycutt just closed a series of meetings in the Methodist Church.

## Revival Starts At Little Brasstown

Little Brasstown Baptist Church Revival will begin Sunday with the Rev. V. L. Daugherty of Gadsden, Ala., presiding, assisted by the pastor, the Rev. Fred B. Lunsford. The public is invited.

A meeting of the Local Steering Committee for a Special Forestry Project was held at Andrews Monday at 7:30 p. m.

The purpose of this committee is to procure a suitable acreage of government forest property accessible to the school for promoting a long-range program of forestry, soil and water conservation and nature study.

Elected on the committee were R. W. H. Ramsey, chairman, Miss Mabel Fisher, representing school; P. B. Ferebee, representing bank; Robert Heaton, representing business; James Bryson, representing the Andrews School Board; Arnold Derreberry, representing merchants; and Carrol Brown, representing farmers.

Ralph Smith, a member of the state department of the Steering Committee, was present for the meeting.

This program through the use of the Forestry Plot will offer a nature and outdoor laboratory study for students from the first through the twelfth grades. The long-range plan includes camping possibilities for the various school activities.

## Mad Dog Bites Two Children

David Higdon, son of Mr. and Mrs. Charles Higdon, and Carolyn Woodward, daughter of Mr. and Mrs. L. A. Woodward of Andrews, were bitten last week by a young pup that was found to have rabies. The dog which was owned by Mr. Higdon was only six weeks old.

Rabies vaccine was given these two children as well as Eddie, Steve and Gary Higdon and Bobby Woodward who had played with the dog.
