BOBBY BROILER MAKES DRAMATIC RECOVERY

"I was underweight," states Bobby Broiler of Broiler House, U.S.A., "and because of my size, other occupants of the house I lived in started crowding me back from the feed trough. I was frantic; I didn't know which way to turn, and then one day my diet was changed. SECURITY BROILER RATION was served in our house and my appetite increased and so did my weight. I'm 8 weeks old now, I feel fine, and I'm a normal weight. In fact, I heard rumors that we are such a fine looking bunch since we've been fed SECURITY BROILER RATION that we'll be shipping out very soon. Well, I don't care where they send me as long as they continue to feed me SECURITY BROILER RATION."

You never tried a fine car like This One

YOU'VE a right to set your sights higher when you buy a fine car. You can rightly expect more room—more comfort—more performance—and a lordly smoothness in the way it carries you.

So we present these facts:

You'll find, in a ROADMASTER, more usable room than you'll find in any other six-passenger car in America.

You'll find the extra comfort of double-depth Foamtex cushions in ROADMASTER only.

You'll find that the ROADMASTER has a high-compression, valve-in-head power plant that is also exclusively Buick's—a mighty Fireball Engine

endowed with more performance than most owners will ever need.

And you'll find that a ROADMASTER rolls with unsurpassed levelness and poise, thanks to coil springs on all four wheels—which is still another feature found on no other car in the fine-car field.

But the thrill that is yours, when you get this willing beauty out on the open road, is something that can't be summed up in any listing of features, one by one.

It's a "feel" which, we honestly believe, no other car can approach.

It's the sure way this dazzling performer holds the road—the way it responds to your slightest wish—the quick answer you get when you nudge the throttle—the extra security you feel in the velvet grip of the brakes—the complete freedom from tension you find in Dynaflo Drive—the sense of mastery that makes every mile a joy.

And, confidentially, there's one more important way in which ROADMASTER stands alone, and that is in the modest cost of its pounds and performance.

Better come in soon and check for yourself what a great car and a great buy this one really is.

Equipment, accessories, trim and models are subject to change without notice.
