"GOD BLESS YOU ALL"

Southern Railway System
Office of the President
Washington 13, D. C.

On December 31, I am retiring at my own request as President of the Southern Railway.

During my 14 strenuous but happy years as President, I have been continuously encouraged and inspired by the loyalty, spirit and devotion of the countless men and women, both within and outside of our Southern Railway "family," who have worked with me in our efforts to promote the best interests of the South and of the railway that "Serves the South." For this co-operation, I now express my heartfelt appreciation.

Seeing our beloved Southland grow and prosper over the years has been a rich and satisfying personal experience. The fact that I have been privileged to play a small role in this historic drama has been for me its own reward.

Saying "good-bye" as President has been made easier by the Southern's Board of Directors asking me to serve as Chairman. It is made easier, too, knowing that I am "giving up the throttle" to the experienced and competent hands of my colleague, Harry A. DeButts, who has been with the Southern 35 years and who has been our Vice President in charge of Operation since 1937.

God bless you all.

Season's Greetings

Once more may the Christmas Star send its blessing down with the same glad meaning it brought to Bethlehem. And as we yield our hearts to the spirit of tenderness which pervades the Christmas air, may we remember the heavenly love which came into this world the night Christ was born.

Let us remember, too, that we keep Christmas truly, only when we permit the love of the Christ to enter our hearts and lives. May you enjoy a truly Merry Christmas and a Happy New Year.
