

### Mrs. Zimmerman Attends District Examiner Meet

Mrs. Fred Zimmerman, driver's license examiner, attended a meeting in Hickory for all examiners of the Western District Friday. H. D. Jones, Director of Highway Safety, urged all examiners to impress on the public how important highway courtesy and observance of traffic rules and regulations is becoming.

"A town or section can be recognized, by any stranger passing through, as one that is safety conscious or one that is careless", Mr. Jones said. It is the duty of each person that places himself under the wheel of any vehicle to know all rules and regulations of the road, and observe them conscientiously, he said.

Mrs. Zimmerman says she will be glad to help any organization, club, school, or individual in any plans or work that may further the safety program in our section of the state. She says, "Read safety manuals, learn the rules and practice them each time you place yourself under the wheel".

### Turkey Shoot Held Saturday By Coon Club

The Cherokee County Coon Club sponsored a turkey shoot Saturday at 10:30 a. m. at the city park. This sportsmanship was attended by a record crowd, each contestant displaying his favorite rifle or shotgun.

These matches have created much enthusiasm each time they are held. Better guns and more accuracy are noticed in each match.

The Saturday match was organized and governed by officers of the club. Safety precautions were stressed and observed. The range was laid off, and wood shavings were scattered to protect shoes and clothing, by R. T. Sylvester. Arnold Dairyplace and other officers of the club assisted with the management of the match.

Several turkeys and chickens were available for prizes. Refreshments also were available. Proceeds of \$86 were placed in the club's treasury to be used for restocking forests with coons and improving hunting conditions. Approximately 100 coons have been purchased and released by the Coon Club and Wildlife Club.

Other matches are to be scheduled in the near future.

A \$25 reward has been offered by the club for any person reporting evidence sufficient to convict anyone of illegally taking a coon out of season.

The regular meeting night of the club is the second Monday of each month. The next meeting is Monday at the town hall, and all who are interested in coon hunting are invited.

A coon hunt trail contest at the city park will be held soon. Those interested in participating should contact D. C. Smart, president.

Don't just open the door—  
**Open your Heart when he calls!**

Someday this month, a neighbor will knock at your door with an opportunity you won't want to miss. An opportunity to give help to the helpless, hope to the hopeless. An opportunity to shelter the victims of fire and flood . . . to help a wounded veteran back to health . . . to save a life by making sure that needed blood is there. That neighbor who knocks is your Red Cross representative. And remember—he's not only contributing money, as he'll ask you to do. He's cheerfully donating precious time as well, to help you to help others. He deserves your thanks. He deserves an answer from the bottom of your heart! Give generously!

Answer the call—give to your Red Cross

## Facts truck owners should know about hauling bigger payloads

**WANT to know why you can carry more payload with Dodge "Job-Rated" trucks?**  
First, they've got better weight distribution. This means that bigger payload capacity is engineered into a Dodge "Job-Rated" truck. Many trucks carry too much weight on the rear axle, not enough on the front. But in a Dodge truck, the right proportion of the load is carried on each axle.  
Besides this better weight distribution, a shorter wheelbase provides easier turning, easier parking. Come in and try one of these payload-packer, easier-handling trucks for yourself. Get all the facts about hauling bigger payloads.  
Carry more! In Dodge "Job-Rated" trucks, the engine is placed forward and the front axle back—for better distribution of the load. You can carry bigger payloads—without overloading.  
Haul faster! Dodge "Job-Rated" trucks are powered by high-compression engines to give you top performance with rock-bottom economy. Big power gives you pull and speed that save time.  
Get longer life! There's a Dodge truck that's "Job-Rated" to fit your road and load condition—with load-carrying and load-moving units factory-engineered to stand up on toughest service.

**"With our new Dodge, the payload is high, the cost per mile low!"**  
... says MORRIS SAPIR  
Dependable Furniture Company, Oakland, California  
"After using Dodge 'Job-Rated' trucks for eight years exclusively, I want to report that your new models are keeping me sold on Dodge."  
"No vehicle we have ever seen can give our drivers more freedom in city traffic than our Dodge 1-ton truck. With our new Dodge, the payload is high, the cost per mile low."
