**MISS LOIS PAYNE**, who has been a patient at W. N. C. Sanatorium for the past three years requests that her friends here write to her. She says she has had six major operations on her lungs and is expecting another soon. She wants friends also to pray for her, that she might get back home with her family and friends. She says she cannot put into words what the SCOUT means to her. Her address is: Miss Lois Payne W. N. C. Sanatorium, Black Mountain, N. C.

MRS SPENCER supplies for this column this week an appropriate message in poetry, as follows:

## OUR MOTHERS

By Nora Cobb Spencer

In our hearts this blessed day  
Our mother's love shines supreme.  
A glorious gift to light our way,  
Her faith a star-like gleam.

May our inner eyes be quick to see  
Her sacrifices, her patient care—  
Our ears to hear her soothing voice  
In hours of gloom, and oft despair

Be mother here or gone beyond  
No greater tribute can we pay  
Than treasure her teachings in word and deed  
By observing each day as Mother's Day

# Murphy Juniors Entertain Seniors

The Junior Class of Murphy High School entertained the seniors, faculty and board members of Murphy City Administrative Unit at the annual banquet Saturday night.

For the 240 hosts guests and entertainers, the gymnasium was decorated in keeping with the theme, "The Last Round Up". The rock walls were lined with puns, giving an outdoor effect. Above the center of the stage gold stars on deep blue ground suggested night-time. A covered wagon, a tepee with two Indian figures, bales of hay, a log fire and two screens with typical prairie paintings added to the atmosphere. Between the goalposts hung a double line of cattle brands made by the art department. At each side of the entrance were small stations which served for branding and for parking arms. On the table among colored rocks, each made of numerous studs with multi-colored tooth picks gave a unique touch.

Waiters and waitresses from the tenth grade who wore cowboy and cowgirl outfits helped with the entertainment as well as with the service. The menu a cold plate was prepared and served by Mrs. Boyd Davis and the ladies from the school lunchroom.

Miss Maple Hensley of Blue Ridge Georgia who in costume gave several readings in which she used names of pupils and teachers. Dr. C. C. Brooks, Mrs. Brooks and his Swing Masters and of Blue Ridge provided three hours of orchestra music.

Mrs. Joe E. Ray had charge of the program. Miss Marie Tramm had charge of decorations and Miss Juliet Propper planned the menu.

## Farley Gives Pointers On Sheep Shearing

Most sheepmen expect the fleece to pay the cost of keeping the sheep for the year, says H. G. Farley, county agent. Proper care during shearing and storing will add to the value received, and will bring more money if it is presented to the buyer in a neat attractive package.

Mr. Farley says the following points will help in getting top prices for wool: 1) Never shear when fleeces are damp. It is a good idea to keep sheep in shelter the night before shearing. 2) Tag sheep before shearing. 3) Shear close to the sheep and keep fleece in one piece. 4) Roll the fleece with the flesh side out. The with paper waste only. Rough tweed such as wool or hemp should never be used. 5) Pack black dead burry wool in other reject wool in separate bags. 6) Store wool in a clean, dry place. Never store in basements on the ground or on a cement floor.

## Idols Up-to-Date

Lesson for April 27, 1952

SOME PEOPLE THINK Jesus somehow did away with the Ten Commandments. Nothing of the sort. He showed them in new lights, showed them in a depth and height few if any had suspected; but he had no intention of abolishing them.

One thing he seldom did—merely repeat the Commandments. That was hardly necessary, as most of his hearers knew them by heart. We fail not so much because we don't know what they mean.

To the First Commandment, Then shalt have no other gods before me, Jesus gave a startling new meaning. Readers of the Gospels will observe (and not only in this week's Scripture by any means) that Jesus demanded supreme loyalty, absolutely without exception. Christians take this seriously, when they are serious Christians, and we accept the tremendous claim sounding through such words as "if any man hate me... he cannot be my disciple."

In short, Christians understand that loyalty to God means loyalty to Christ. Taking orders from God means, taking orders from Christ. We do not believe this to be idolatry because when we worship and honor Christ we do not pay this tribute to a mere man but to the One God who was one with his Son, and in him.

**BETTER FOR COMFORT** On rough roads you get a smoother ride because Goodyear's stronger cords give to cushion car-jolting bumps and road shocks.

**BETTER FOR MILEAGE** Long after less popular tires are discarded, Goodyears are still rolling safely. Their stronger bodies and tougher treads stand up longer to give many extra miles of safe motoring.

**FAST GROWTH FOR EARLY CALVING the PURINA WAY**

How old are your heifers when they calve? The average U. S. Holstein calves at 28-30 months. Purina Farm heifers calve at 24 months. This proves they were big enough for breeding early.

What's more, these heifers give 4 to 8 months of extra milk (2,000 to 3,000 lbs.) by the time the average heifer is merely ready to calve.

See us about growing heifers fast for early calving the Purina Way... with Purina D & F Chow.

The Lord's Day  
WHOSE day is it? Jesus said something else about it: The Son of Man (by this he always meant himself) is Lord of the Sabbath. So the Christian church has called it the Lord's Day ever since.

Now this particular Sunday in May happens to be "Mother's Day" in the United States, and every one can understand that there are good ways and poor ways to celebrate Mother's Day. You write your mother or visit her, or if she is gone from this earth you think about her, you spend the day doing the kind of things that she would enjoy doing with you.

So on the Lord's Day you celebrate in Christ's honor.

the Day of God  
WE must also remember that this is God's Day, the "Sabbath of the Lord thy God." It is his because he gave it; his because it is dedicated to him.

It is for man, yet; but man is never fully man so long as he leaves God out. Man without God is a ship without water, a bird without air, an earth without the sun. Man needs God; and Sunday is the golden day for finding him.

This is the day when we have the best time for reading and hearing and thinking about God's Word; a day when we have greater freedom to do something in his service; a day when the loneliest soul may find so heavenly friend.

Miss Ada Mae Pruett spent the week-end in Asheville and Canton visiting friends.
