Clinic For Dogs In Andrews Sat.

Andrews Town Clerk Claude Watson announces that Saturday a clinic will be held at Andrews City Hall where all dogs more than six months of age should be vaccinated.

The Health Department has stressed the urgency for this precaution against an outbreak of

rabies. "If every dog owner accepts his responsibility and provides protection against rabies, there will be no occasion for the painful treatment for human beings who have been bitten by rabid animals," says Dr. J. E. Donlan.

Vaccinations for the dogs will be administered from 1 until 4 p. m.
