

Murphy Bulldogs Defeat Wildcats

The Murphy Bulldogs defeated the Andrews Wildcats in their opening game at the home field Friday night, September 5, by a score of 6-0.

Before a large crowd of Murphy and Andrews fans, the two elevens battled through three quarters without a score. The lone tally came early in the fourth quarter when Ralph Swanson, a substitute linesman of the Bulldogs, rushed in to block an Andrews punt on the Andrews 10 yard line. Capitalizing on their break, Bulldog back, Ramsey, plunged through the Andrews line for the touchdown. The conversion was no good.

During the first quarter Andrews made one first down and

recovered Andrews picked up another first as Matheson carried the ball to the Murphy 11 yard line. Another Wildcat scoring threat failed as the half ended with Andrews in possession of the ball on the Murphy 7 yard line.

In the third quarter Andrews picked up one first down to Murphy's two. The second first down for the Bulldogs came with a completed pass for 18 yards from Ramsey to Elliott.

Murphy kicked from their own 40 to the Andrews 10. Early in the final period Ralph Swanson blocked the Andrews punt from their own 12 yard line, covered the ball on the Andrews 7. Ramsey hit the Andrews line for an off-tackle play that paid in a TD. The try for the extra point failed. The Wildcats came back to threaten again in the final period when a pass from Matheson to Cooper carried to the Murphy 6 yard line but was called back on a penalty. Ramsey of the Bulldogs, intercepted an Andrews pass on the Murphy 10 to end the ball game.

Captains for the Andrews team were Leroy Gilbert and William Franklin. For the Bulldogs, Bill Thompson and Fred Dalrymple.

Officials were Bumgarner, Bennett and Keller of WCTC.

Andrews travels to Franklin this week to engage the strong Franklin eleven.

Murphy travels to Hayesville this Friday.

Pfc. Kilpatrick Graduates From Medical Center

Degerndorf, Germany—Pfc. Thomas Kilpatrick of Ranger, N. C., graduated recently from the European Command Medical Training Center in Degerndorf, Germany.

The center provides instruction in the latest techniques of Army field medicine. In addition to a medical non-commissioned officer course, it provides training for hospital corpsmen and Army nurses.

Kilpatrick is serving as a medical technician with the 306th Army Field Hospital. He entered the Army in June of 1951.

Pfc. John Raxter Serves In Japan

With the 1st Cavalry Div. in Japan—Pfc. John W. Raxter, Andrews, N. C., is serving on security duty with the 1st Cavalry Division in Japan.

His unit, one of the first to fight in Korea, currently is undergoing extensive aerial movement and amphibious training on the northern most Japanese island of Hokkaido. It was transferred to Japan last December after 17 months of combat.

Raxter entered the Army in February 1951 and was stationed at Camp Atterbury, Ind., before his assignment overseas.

C. S. Jenkins, 79 Farmer Is Taken

C. S. Jenkins, 79, retired farmer of Culberson, died at his home Sunday, September 7, after a long illness. He was a Spanish-American War veteran.

He had been a member of the Masonic Lodge since 1906. He was also a member of the school board or many years.

Funeral services were held Wednesday at 11 a. m. in Mt. Pleasant Baptist Church. The Rev. Freed Townsend and the Rev. Thomas Truett officiated. Burial was in the church cemetery with Townson Funeral Home in charge.

Surviving are the widow, Mrs. Kate Ware Jenkins; one son Char-

There's NO value like Chevrolet value!

...the lowest-priced line in its field!

Measure value by what you get for what you pay... and it's easy to see why more people buy Chevrolets than any other car.

For you get more with Chevrolet... fine quality features found in no other low-priced car. And yet you pay less... for Chevrolet is the lowest-priced line in the low-price field.

Today more and more people are looking for greater value in everything they buy. Come in and let us show you all the reasons why—in automobiles—there's no value like Chevrolet value.

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)
