

Maroon Devils Win Andrews Game 14-0

The Andrews Wildcat football team dropped a hard-fought game to the Swain High Maroon Devils on the Andrews field Friday night, 14-0.

The very light local team threw all the skill and spirit of a well-coached team against the might of the heavy, experienced Swain-High team, made up largely of players who have already experienced one or more Conference championships. The Bryson City team has come out on top of the Smoky Mountain Conference for the past three years.

Starting the game off on statistics was a first down chalked up early in the first quarter by the Wildcats. At the end of the period

the downs were 1 to 1.

In the second period, the Swain High team drove to the two yard line, following a Fred Hyatt, J. P. Cunningham combination that began on the 12 yard line where Parish intercepted an Andrews pass that ended a scoring opportunity for the Wildcats. A fumble on the Andrews 2 yard line was recovered by Andrews. In an attempt to kick out, Andrews fullback, Cecil Rogers, stepped out of the end zone, thus giving the Bryson City team a safety and 2 points.

The half closed with Swain High 2; Andrews 0.

In the second half, Swain High's mighty Fred Hyatt turned on the speed with end runs that quickly ran up the Swain High yardage

gained. Cunningham filled in with power plays that beat the light Andrews line relentlessly. Hyatt scored a TD on an off-tackle plunge. Carroll Wright, Jr.'s, attempted kick failed.

The final period found a Wildcat team behind but far from beaten turning on everything they had for some beautiful gains. However, a Swain High pass from Wright to Robinson carried 28 yards to the Andrews 30. Bennett Arvey galloped the remaining 30 yards for the final touchdown. Again the conversion, an attempted kick, failed.

In a final desperate suprt, the local team hurled passes that set the local fans to yelling in anticipation of a last minute touchdown. However, the game ended as Fred Hyatt intercepted an Andrews pass on the Bryson City 10 yard line.

Starring for the Swain High team were Hyatt and Cunningham in the backfield; Chambers and Bowers in the line. They were backed by the excellent play of Arvey, McLain and others.

For the Andrews team, the aggressive, spirited and intelligent play of William Franklin was outstanding. Gilbert's passes to Cooper and Rogers were responsible for much of the yardage gained.

In fairness to a young and light team, the playing of the Andrews Wildcats was excellent. They have engaged some of the strongest teams in the Conference and have shown up well.

Friday Andrews will meet Hayesville in Andrews at 8 p. m.

Tuesday they will meet the Cherokee Indian team as an attraction of the Cherokee Indian Fair.

The Rev. and Mrs. George Culbreth and daughter of Bryson City spent Saturday in Andrews visiting relatives.
