#### State PMA Men **Complete Survey Of County Farms** Harold "Bull" Davidson, varsity

The following State Office offifullback on the Tar Heel football cials have just completed a farm Murphy Donates team at the University of North and horse tour of Cherokee Coun-Carolina, is recovering from an ty, Ralph Turner, Farm Managety, Ralph Turner, Farm Manage-ment Specialist, and Paul Laugh-40 Pints Blood Davidson's mother, Mrs. Homer run, State Field Representative. In Davidson of Murphy, says, "As addition to these officials a counfar as we know, he will have no ty-wide committee training proparalysis." She says hospital ofgram was used on a new plan of ficials expect him to be hospitalizthe FHA.

The local County Committee, the Swain, and Graham County Committee attended, for observation-and on-the-farm training. This was in connection with the type of program the FHA is doing in this students were admitted to the unicounty, and the various types of agriculture and adjustment loan program.

On the farm of Mr. and Mrs University' officials cancelled Saturday's game with Georgia and Judd Stiles the committee found a well balanced farm program of this Saturday's game with North Carolina State College on advice dairy, poultry, and excellent pasfrom university physicians Thursture development. While this farm does not operate with a herd of purebred dairy cows they do have far above the average production

from grade cows.

On the farm of Mr. and Mrs. Wilson Phillips the committee also found good farming practices. This family has recently moved into Cherokee County Semi-annual this county, and purchased farm Singing Convention will be held through the FHA program. They Sunday, October 12, at Marble have a grade A dairy and also tobacco for the farm income. This Singers are expected from all family are believers in live-aturrounding counties, as well as home, and have adequate supply from out of state. Skyline Harmoof food from the farm and garden, ny Quartet of Asheville will be at and are carrying on a well balanced farm and home program, Singing starts at 10:00 a. m. and according to officials.

The farm of Mr. and Mrs. Dillard Stiles shows an example of good farm and home practices, having a grade A dairy, excellent pastures, good producing milk cows, and the farm shows that work, planning, and good management are paying off well in the farm income and improved farm land. The home and food supply from the farm show an excellent. example of what can be done on Harry Edward Bishop, Mrs. Frank ser, Jack Davis. a live-on-the farm program.

The farm of Mr. and Mrs. Leonard Stiles was observed, mainly on the plans worked out for silos. Three types of silos were observed. metal, constructed mostly on the farm, a wire and paper, temporary silo, and also a rock silo, which was constructed by own labor. Mr. and Mrs. Stiles have poultry and dairy, and each year they have a very good garden for home food Farley Leads

and canning. The farm of Mr. and Mrs. Lee Development and tobacco combination. The out-Discussion

standing work there has been the W. O. W. members and their families held a supper at the Hen- farm development, pasture that is
