What's the Best home freezer buy?

You make a sound investment when you choose the dependable General Electric Home Freezer.

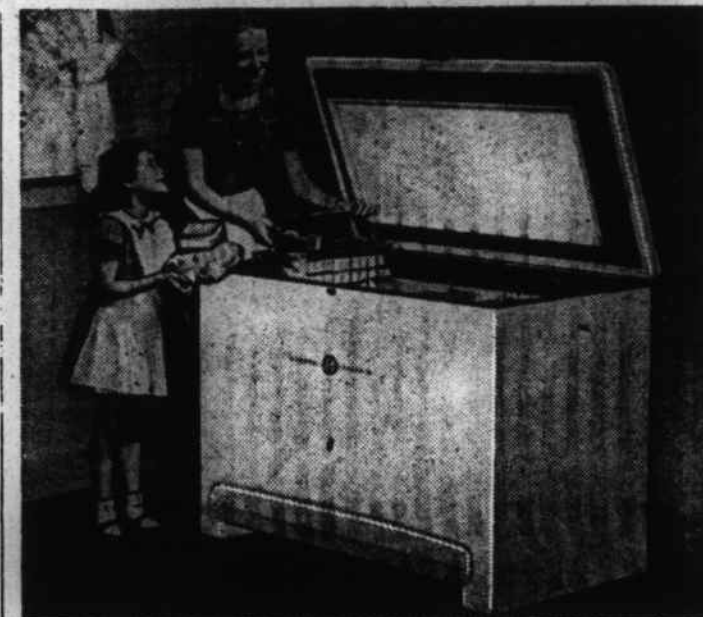

No one can deny these reasons:

General Electric has the famous G-E sealed-in refrigerating system - the very same system that has proved so efficient in G-E Refrigerators.

More than 1,700,000 of these G-E sealed-in systems have been giving dependable service in G-E Refrigerators 10 years or longer.

General Electric has the Perfect Seal Cabinet Construction. It prevents moisture from reaching the thick Fiberglas insulation. The steel is Bonded for rust-resistance. The liner is rustproof aluminum. No wonder operating cost is low - 40 kilowatt hours a month for the 8-cu-ft model illustrated.

You get a written 5-year Protection Plan consisting of a one year warranty on the complete General Electric Home Freezer, plus additional four-year protection on the sealed-in refrigerating system.

To be certain you get the best - get the General Electric Home Freezer. You may use our CONVENIENT PAYMENT PLAN to purchase your new G-E Home Freezer!

PROFIT NEWS FOR HOG MEN!

It usually takes Five Pigs per litter to break even.

The average hog feeder saved 6.44 pigs per litter in 1951. He had 1.4 pigs for profit.

The Purina Farm herd produced 9.15 pigs per litter on the Purina Hog Program. That left 4.1 pigs for profit . . . THREE TIMES THE PROFIT made by the average feeder.

And many Purina Program feeders get results equal to those at the Purina Farm.

Drop in for a visit and let us tell you more about the profit-making easy-to-follow Purina Hog Program.
