

POWER that Pur-r-r-s

when the going gets tough!

NEW FORD TRACTOR

The reserve of power you want when the going suddenly gets tougher is here in this new Ford Tractor. Just take a look at its new Ford "Red Tiger" engine and you'll see why.

You'll see a new overhead valve engine, with big bore and short stroke that cuts the travel of each piston approximately 5 miles in a working day, reducing friction and helping to make possible greater power with new economy of gas and oil. You'll see an engine with big, rotating exhaust valves, new lightning-fast governor and dozens of other examples of advanced engineering. Ignition is completely weatherproofed. All oil is normally filtered every time around. The whole engine is extra strong, extra rigid as well as extra powerful.

The more you know about tractor engines, the bigger kick you'll get out of looking over the one in the new Ford Tractor. The more you know about tractors, the better you'll realize that here is the most modern tractor on today's market. Come in today... look it over!

Corn Shucks, Cash Crop For Craftswoman Lee

MRS. ROY LEE

Also a proficient woodcarver, Mrs. Lee's first love is cornshuck dolls.

By EDNA BISHOP
County Home Agent

Shucks! Just a by-word to many people—but to Mrs. Roy Lee, Rt. No. 2, Murphy, it holds a charm.

Many things can be created from corn shucks but Mrs. Lee specializes in dolls. Colonial ladies are her first love but she also makes Indians, clowns, etc. She seldom makes two alike.

She gives each doll an individual touch. They usually have something in their hand—an umbrella, pocket book, fan or basket. The dresses are finished differently in design or decoration.

Some are adorned with embroidery and petite bows—and of course shucks are the material used for the decoration. The corn silk hair is topped with various styles of shuck hats.

Mrs. Lee's cornshuck dolls are in demand in craft shops. Even though she developed this proj-

ect only two years ago she has realized more cash returns than from any other craft.

Mrs. Lee says "I have always been interested in creating things with my hands". Her first craft, started some eighteen years ago, was wood carving. Weaving has also held a great deal of interest and at times she thinks it is still her first choice.

A dream of many craftsmen has been realized by Mrs. Lee—that is, membership in the Southern Highland Handicraft Guild. This is an exclusive organization for master craftsmen. What was the craft articles submitted with her application for membership—Corn Shuck Dolls!

Mrs. Lee is also an active member of the Martin's Creek Home Demonstration Club and the Cherokee County Crafters.

Juanita Chambers Weds Airman In Washington, D. C.

MRS. KENNETH MARVIN SCHWAGER

Miss Ruby Juanita Chambers, formerly of Murphy, now of Washington, D. C., became the bride of Kenneth Marvin Schwager in a ceremony March 7 at 3 p. m. in the New York Ave. Presbyterian Church in Washington.

Mrs. Schwager is the daughter of Mrs. Dillah J. Chambers of Washington, formerly of Murphy, and the bridegroom, an airman stationed at Andrews Air Force Base, Washington, is the son of Edwin D. Schwager of Lansdale, Pa.

The ceremony was performed by Dr. George M. Docherty against a setting of palms, candelabra and

baskets of white gladioli. Following the ceremony a reception was held at the Airmen's Club at Andrews Air Force Base.

Given in marriage by her uncle, Thomas Frank Guffey of Murphy, the bride wore a gown of ivory lace and net trimmed with seed pearls. Her bouquet was of lilies of the valley and white orchids.

Mrs. Dale M. Butler, matron of honor wore a light green dress of lace and net and carried a crescent arrangement of light pink gladioli and talsman roses.

Bridesmaids, Mrs. Lemuel Beak, Miss Cynthia Britton, Miss Mary Samulik and Mrs. Margaret Fretz, the latter a sister of the bridegroom, wore dark green dresses of lace and net and carried crescent bouquets of yellow gladioli and yellow roses.

Cousins of the bride, Virginia Lee and Patricia Ann Guffey, were flower girls and they wore yellow taffeta and net dresses and carried baskets of yellow and talsman roses.

Walter B. Wrightson was best (Continued on Page 4)

"LITTLE SQUIRT" is a

BIG SHOT on the Southern!

OUR "LITTLE SQUIRT" is an ingenious gadget that oils car journals automatically for the first time in railroad history. And it does the job more effectively than it has ever been done before.

But the big thing about "Little Squirt" is not what it does but what it represents. For like many others we are using, this better-railroading tool, on which a patent is pending, was invented right here on the Southern as a result of our constant search for new ways to do a better job.

This policy of "constructive discontent"—of never being satisfied with things as they are—leads to answers, large and small, that help us provide continuing low-cost, dependable, ever-improving transportation service for the South we serve.

Harry A. W. Galt
President
