ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

You get more out of a GMC
—because GMC builds more in!

ONLY LIGHT-DUTY GMC's for '53 have them—these super-features that pay off in lower running costs and longer life—no matter how hard you use a truck.

GMC builds in Dual-Range Truck Hydra-Matic.* You get 3 engine-saving, fuel-saving speeds for traffic—4 for the open road. No clutch repairs or replacement. Your engine and drive line are protected from strain. Quicker take-off after every stop.

GMC builds in a 105 H.P. engine with 8.0 to 1 compression. You get as much as 19% more power than other six-cylinder lightweights. You get crisper response—extra

punch—and better mileage—all from regular gasoline.

GMC builds in: bigger self-energizing brakes—a roomy "Six-Footer" cab—Synchro-Mesh transmission—recirculating ball-bearing steering action—double-acting shock absorbers—a 45-amp. generator.

What's more, you get all this at a price that makes GMC the greatest buy in the light-duty field. Come on in and make us prove it!

*Standard equipment on Package Delivery model; optional at moderate extra cost on all others.
