**WHY** just look and sigh—and pass up so much real automobile?  
Why—when this big and beautiful new Buick SPECIAL delivers for the surprisingly low price shown here?  
Could be you're one of those folks who still don't believe that the price of a Buick really is just a few dollars more than that of the so-called "low-priced" cars.  
So here we show our car and price to prove it.  
But beyond that—what you get in this great Buick, for so small a step-up in what you pay, is plenty.

**More power.** Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

Why not drop in on us and see things for yourself?  
That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?
