

The Wildlife Resources Commission has completed stocking Hiwassee Lake with 2,000 bass averaging three-quarters of an inch long.

These fish were produced at the State Fish Hatchery located near Morganton. District Game and Fish Protector Arnold Dalrymple directed the release of the fish.

Prospects indicate fewer steers, but more cows and calves will be marketed during the remainder of 1954 than in the same period of 1953.

## RULING FROM ATTORNEY GENERAL

**RALEIGH, N. C., JUNE 14, 1954**—Answering your inquiries that markers are not allowed in any Primary and it is illegal to use same in primary elections see last sentence in Section 172 of Election Law Pamphlet.

Watchers are governed by Section 182 and may serve as challengers and any elector may also challenge a voter. If voter is challenged and challenge decided in voter's favor, the voter must write his name on the ballot for identification before depositing in proper box as provided by Section 168.

Watchers cannot enter the guard rail but may be present at the opening of the boxes and the canvass of the ballots and challengers, whether watchers or electors, may enter the guard rail for the purpose of challenge and retire when it is heard.

Near relatives may give assistance to illiterate or disabled votes or if no near relatives, the registrar or judge of the election; however, this office has ruled that an illiterate voter is an elector under the grandfather's clause and no other. See section 174.

All Precinct election officials should stay at their posts until ballots are counted and canvassed.

Copy of this telegram mailed to Mr. William Stalcup, Chairman, Cherokee County Board of Elections.
