**Want to feel like a pilot feels?**

**HOTTEST BUICK IN HISTORY.**  
No wonder you see so many '55 Buicks on the highways — they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

**Today's the day to "Join The Test Pilot Club" and see what a thrill you get when you try Variable Pitch Dynaflo\***

**We're not kidding.**  
When you try a '55 Buick with Variable Pitch Dynaflo, you'll feel like a pilot does when he heads his plane down a runway for take-off.  
For you, in the driver's seat, are doing what that pilot does—you're changing the pitch of your propellers—one way for instant response on getaway—another way for better gas mileage in cruising.  
Your propellers are whirling in oil, deep inside the Dynaflo unit. When you press the pedal in the normal way, you hold those propellers in their economy angle—and you enjoy plenty more miles from your gasoline.  
But when you want instant acceleration—for quick getaway, or for a sudden safety-surge of emergency power—you just press the pedal way down, and—with absolute smoothness—you get

**the action you want, and split-second quick.**  
It's the thrill that's the talk of the industry — performance unlike anything you have ever known before on the ground.  
And so many folks have been asking to try it that we Buick dealers across America have set up April as "Test Pilot Club" Month. All it takes to join the "Club" is a test drive at the wheel of a new Buick. That's all.  
So we cordially invite you to win your "wings"—to try the spectacular performance of Variable Pitch Dynaflo—and to feel the mighty V8 power that puts the whip to these gorgeous new Buick beauties. Drop in this week.  
\*Dynaflo Drive is standard on Roadmaster, optional at same cost on other Series.

**Local delivered price of the 1955 Buick SPECIAL**  
2-Door, 6-Passenger Sedan, Model 48 (Illustrated) is **\$2232.83**  
Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargain, such as: Heater & Defroster—\$81.70; Radio & Antenna—\$99.50.

Said a sleuth: Ah! The mystery's unraveled! About cars that "take off like a javelin." But with Dynaflo's switch Of its Variable Pitch— You were here. Now you're there. Boy, that's travelin'!  
[Why don't you try a Buick?]
