CATHOLIC SEED CORN
JESUS CHRIST

- Is Jesus Christ truly God?
Yes; Jesus Christ is truly God, because He is the Second Person of the Blessed Trinity, having the same Divine Nature as the Father and the Holy Ghost.
- Is Jesus Christ truly a Man?
Yes; because He has a body and soul like ours.
- How do we know that Jesus Christ is truly God?
a) The Prophets foretold that the Messiah to come would be God.
"His name shall be called Emmanuel," that is, "God with us" (Is. vii. 14; St. Matt. 1:23)
b) The miracles of Christ, especially His own Resurrection from the dead, prove His Divinity.
"You say 'Thou blasphemest,' because I said I am the Son of God. If I do not the works of My Father, believe Me not; but if I do, though you will not believe Me, believe the works, that you may know and believe that the Father is in Me and I in the Father" (St. John x. 36-38)
c) Jesus claimed to be God; this claim must be admitted since He was honest and sane.
"I and the Father are One." He that seeth Me seeth the Father also" (St. John x. 30; xiv. 9)
d) The Apostles called Him God, and Jesus permitted them to do so.
St. Peter said: "Thou art Christ, the Son of the living God" (St. Matt. xvi. 16)
St. Thomas: "My Lord and My God" (St. John xx. 28)

965 Lose Licenses In Drunk Driving
Drunk driving convictions cost the legal driving privileges of 965 Tar Heels motorists in May the Department of Motor Vehicles said today. Close on the heels of the tipsters were speeders with 737 convictions and similar punishments.

In all the vehicles agency withdrew the driving privileges of 2,088 Tar Heel motorists for violations ranging from hit and run to transporting intoxicants.

Drunk driving offenses regularly lead the monthly revocation and suspension list the department added.

for this wide-open beauty

It's the new kind of hardtop—The 4-Door Riviera!

THERE seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.
