

THE TEEN SCENE

BECKY RHODES let the French Club use her home and television set Monday night for the first party of the year.

Everyone had interesting comments about the program-Cyrano de Bergerac which starred Jose Ferrer. After the program refreshments were served. Because of the length of the program and a first year French test the next day no games were played. Those who came were: JIM HENDRIX, NANCY SALES, KATHY AMOS, JOEHN MORRIS, LINDA ENGLISH, JUDY DAVIS, BECKY RHODES, DAVE OWENS, H. C. BUECK, ELIZABETH MARTIN and MARY LEPSCHER.

On Oct. 1, a group of Methodist young people attended youth night of the Methodist Conference at the Coliseum in Charlotte. Groups from Murphy, Hayesville, Robbinsville, Shooting Creek and Andrews went together in a chartered bus.

DANCE BAND

Our M. H. S. "Swingsters" (Dance Band) held its first rehearsal this year last Wednesday and made its first appearance last Saturday night at the Halloween Carnival. Last year the band played on several different occasions.

The members of the dance band include: LINDA ENGLISH, JUDY DAVIS, RONNIE BRITAIN, BETTY WEAVER, BOBBY WEAVER, HARRY DUNCAN, BILLY TOWNSON, and ANNETTE WHITE. Mr. Shuler is director of the dance band.

NEW DRUMS

Murphy High Band has several new drums, which include two bass drums and four snare drums. They are made of ivory and cost around \$900. The drums really made the band look niftier.

I know everyone is looking forward to seeing the band perform next Friday night at the Andrews Murphy game. The members of our drums corps include: "PEE WEE" DECKER, HARRY DUNCAN, BILLY TOWNSON, PAUL HAWKINS, EARL HAWKINS, DOUG BOWMAN, ROGER SWANSON, JACK SUTTON, and PHIL MATTOX.

CAMPUS INVADED

Seems as if our campus was suddenly invaded with greenhands one week not long ago. However, we found this nothing to cause alarm for the green hand boarders were not creatures from outer space, but were the 39 members of the F. F. A.

They were initiated Thursday night, Oct. 6 at the school shop. After the initiation a weiner roast was given to which the F. H. A. girls were invited.

Mr. Denning and Mr. Patton said it was rumored that one of the boys ate 14 hot dogs.

We were sorry to hear that the president, EARL QUEEN, missed all the fun because of tonsillitis.

With the addition of the 39 new members, the F. H. A. now has 116 members.

GET WELL QUICK!

Our band director, MR. JACK SHULER, is a patient in a hospital in Atlanta, after becoming ill last week end. We wish him a speedy recovery.

After games the guests were served refreshments on the lawn. On each plate was a hot dog, baked beans and fruit salad; cake and ice cream was dessert and soft drinks were served.

The following guests were present for the opening of gifts: Jeff Green, Candy Colblazier, David Tutt, Lynn and Gail Gallagher, Marjorie Hershey, Tommie and Hank Gallagher, Pamela Malcom, Mrs. Florence Tutt and Mrs. Helen Green. Mrs. Green assisted in serving refreshments as did Lynn and Gail Gallagher.

Research has recently shown that leaves are reservoirs of all the mineral food elements used by trees. This knowledge is expected to speed up plant nutrient investigations.

Carringer Praised By Statesville Critic

Walter Carringer of Murphy last week received rave notices from a Statesville newspaper after his concert there.

Joseph Stroud, minister of music of the Statesville First Baptist Church, said Carringer, "a lyric tenor from New York City, thrilled an appreciative audience in the annual artist program sponsored by the McDowell Music Club."

Stroud further said, in "12 years of community concerts, never has a singer so thrilled a Statesville audience. Good tenors are hard to find these days, and Walter Carringer is destined to become one of America's finest. He was perfectly at home on the stage and with poise and great feeling sang with a warm heart for his audience. His easy manner, clear diction and superb legato added to his natural talent to give a most satisfying performance."

Carringer is currently on a concert tour which will take him through four southern states and back to New York City. He is the son of Mrs. Ruth Carringer of Murphy.

Andrews Church Youths Have Meet

The Intermediate Fellowship of the Andrews Methodist Church met Sunday for an afternoon meeting. They drove to Joyce Kilmer Memorial Forest, below Robbinsville, for a full afternoon. After hiking through the forest the group held their worship service at the picnic area in the park.

Topic of the program "His Hands the Wonders Wrought". After the call to worship Miss Betsy Battle described the wonders

seen in the different trees.

As the group sat in a circle, all the beautiful trees surrounding them, they sang "This is my Father's World." The scripture used was Psalm 24 read by Peter Gernert.

Closing thought - "Like the Straightness of the Pine Trees." As they were looking at the tall pine trees the thought was to compare their lives with the tree, to be upright like the pine tree and be of service to both God and man.

The service was closed with the song "Day is Dying in the West"

read softly by Miss Mary Jo Battle and Miss Dana Sue Fuller.

The group then joined hands in fellowship benediction, closed with prayer by the Rev. J. E. Carter.

Some 24 young people attended along with the pastor, counselors, and parents.

Refreshments were served before returning to Andrews.
