**CHAPMAN IN MANEUVERS**  
 Pfc. Robert H. Chapman, son of Mr. and Mrs. R. W. Chapman of Route 2, Murphy, departed the U. S. February 24 with an 8,000-man Marine Corps amphibious force for maneuvers in the Caribbean area. The training exercise, to be conducted in the Roosevelt Roads-Vieques, Puerto Rico, area, will emphasize the three principles of combat in the Atomic age: speed, dispersion and flexibility.

**Can't Get Rid of Your Cold?**  
 Then try 666, the wide-activity medicine, for greatest effectiveness against all symptoms of all kinds of colds. 666 combines 4 potent, widely-prescribed drugs and gives positive dramatic results in a matter of hours. **ST. PATRICK PARTY**  
 The old Irishmen observed St. Patrick's Day Saturday in Andrews with the party held at the Youth Center. A prize for the person dressed in the most green was awarded to Darlene Powers. The prize — green scarf. Refreshments were sold by members of the Beta Club.

**TALENT SHOW**  
 The Konnaheeta Club gave the annual Talent Show last Friday night. There were many different forms of talent displayed. Sometimes we don't realize how much talent the people around us have.

Participants were from Andrews, Hayesville, and Murphy. The winners were announced by Dr. Gerald Almond, Master of Ceremonies. Donna Sue Fuller, who sang the Tenn. Wig Walk was one of the winners. Miss Hildred Heaton's Dancing Group from Hayesville did the Charleston and took honors for it. The Pink Angels, who are the dancing pupils of Mrs. Eric Reichman were very cute and helped the others share the winners' honor. Johnny "Speedo" Gernert did a pantomime of the record "Speedo". He said, "Some people call me Speedo, but my real name is Mr. Earl. Johnny was just what the teen-agers ask for because "Speedo" is the latest "Craze."

The Talent Show is looked forward to every year with great anticipation. Here a person has a chance to display his talent. It is quite an advertisement for the community to have such an annual affair.

**P. T. S. A. MEETS**  
 The P. T. S. A. had an unusually interesting and informing meeting last week.

There is now \$578.58 in the treasury. Having such a good amount at this time of the year is very enlightening.

It was announced at the meeting that the pre-school clinic will be held April 5 from 9 a. m. - 12 noon and on April 6 from 9 a. m. - 3 p. m. Parents are urged to bring every child who plans to enter school this fall.

Some by-laws were revised and accepted for the P.T.S.A. Copies of the by-laws concerning high school students soon will be made and distributed among them. These first have to go to the State Congress for approval.

After a brief discussion these new officers were elected: Mrs. Gerald Almond will continue in her post as president, with Miss Jean Christy and Mrs. James Baer acting as 1st and 2nd Vice Presidents. Mrs. Arthur Watkins is Recording Secretary and Mrs. Gene McClure will act as Correspondence Secretary and Mr. Gene McClure as Treasurer.

Mrs. Ray Hogsed received the banner for the Elementary school for having the largest P.T.S.A. at

Let us demonstrate  
**America's lowest priced 4-wheel drive truck**

**Extra traction** of its 4-wheel drive takes the 'Jeep' truck up 60% grades — through mud, snow, sand. It shifts into 2-wheel drive for highway travel.

**Hauling:** The rugged 'Jeep' Truck carries a one ton payload... 63% of its curb weight! 6,000 lbs. G.V.W., 118 inch wheelbase.

**Towing:** With the extra traction of its 4-wheel drive, it tows heavily loaded trailers, on the road or off the road.

**Belt power:** With power take-off, it serves as a power unit for operating many types of belt-driven equipment.

**Welding:** With power take-off, it supplies power to operate welders, compressors, generators.

**Mobile drill,** mounted on the 'Jeep' Truck, is operated from the truck engine, through power take-off.

**4-WHEEL DRIVE 'Jeep' TRUCK**

WILL be the largest makers of 4-wheel drive vehicles

**AMERICA FIRE INSURANCE POLICY**

If your house burns down —

If your home should burn, it is still going to cost you a lot more than you probably think it will to rebuild it or buy a new house. Don't keep thinking about what your house cost you in the first place, maybe years ago. Building costs and home values have risen greatly in recent years. Think: how much would it cost me to duplicate it tomorrow? If you are like the average home owner, you are still probably way under-insured and should talk to us mighty soon (maybe this minute) about increasing the amount of your fire insurance coverage.
