\$200 Per Acre Guaranteed On Bell Peppers

Farmers interested in growing bell peppers at a guaranteed \$200 per acre return are invited to contact Paul Nave, Cherokee County farm agent, for information and contracts.

Cherokee Products Company of Haddock, Ga., will guarantee to buy at least four tons of quality bell peppers per acre at \$50 per ton delivered to Murphy and they

furnish the plants to the farmer at \$2.25 per thousand, Mr. Nave said.

The company would like to have 30 acres of peppers grown in this county, Mr. Nave asserted.

The agent pointed out "this is a good opportunity for the beginning of a commercial vegetable program in the county. We have the soil, climate and rainfall, so let's take advantage of the offer and increase our income."
