PAJAMA PARTY
 Anne Elliott was hostess at a pajama party, at her house last Monday night, April 23. The girls went skating at Blairsville, Georgia, then they returned to Anne's house for refreshments and games. Everyone had a swell time. Those who were there were: IDA BRUMBY, JUDY COOK, CLAUDETTE and DORIS CARROLL, MARY RUTH DONLEY, JOAN SCHMITT, and NANCY SALES.

CLUB PARTY
 Last Wednesday, the Business Club visited all the business firms and organizations in Murphy and Berkshire Hosiery Mill in Andrews. There they enjoyed a very delicious picnic lunch prepared by the club members. This visit, sponsored by Mrs. Frances Ray, proved to be both educational and relaxing.

FRENCH CLUB PARTY
 Last Wednesday the French Club used their meeting time to practice for the play that they are going to present to the other clubs at the last meeting.

Laura Bailey and Charles Smith have the leading parts with Nancy Sales, Linda English, Becky Rhodes., Mary Lepscier, H. C. Bueck, John Morris, Jim Hendrix, Harry HKillian, Rex Sudderth, and Robert Killian making up the cast and Mr. Wallace directing.

This play is in French and it will last about an hour. A translation will be given to those who attend. The Club members have also decided to go to Vogel Lake, right after school is out for a day of fun. They certainly deserve it after all the work and time they have spent on preparing for this play. I'm sure everyone will enjoy it.

DRAMATICS CLUB
 The Dramatics Club is quite busy now. They are reading the famous play, OUR TOWN They read the play in different parts at each monthly meeting. Jackie Wilson is president of this club and it is sponsored by Miss Pegués. They plan to finish reading the play at the last meeting.

DECLAMATION CONTEST
 We are all very proud of the boys who were in the Declamation Contest which was held at the school. The speeches were given for the entire student body of Murphy High. We think it is wonderful that the Toastmasters Club sponsors this contest each year, it is very good experience for the boys.

Charles Smith won first place with his speech entitled "I am an American, written by Elizabeth Ellen Evans. Bobby Easley took second place with his speech called "These Are The Times That Try Men's Souls". Other speakers were: JOE SWAIN, BILL BROWN, LONNIE HOOVER, TOMMY MOORE, and HUBERT SNEED, who won first place last year. First and second place winners will be awarded medals at Graduation Exercises.

GARDEN TIME
 BY ROBERT SCHMIDT
 Should daffodils and tulips be taken up each year and when should this be done? This is a perennial question after the blooming season of spring-glowing bulbs is over. Daffodils need not be taken up each year but should be taken up, divided, and replanted every three or four years in order to give them more room to grow and reproduce.

It is best to take them up when the foliage has turned yellow and begun to die. While the foliage is green, the plant is storing food materials in the bulb for next year's bloom. After the foliage has turned yellow the bulbs may be dug, divide and replanted at once, or may be dried and stored in a cool dry place over summer and planted in the fall.

SENIOR DAY
 Friday, April 27, our seniors went to Cullowhee to visit the school. They were excused from all their classes that day. They went to the different buildings and programs that were presented for their pleasure. Everyone enjoyed the trip very much.

CHEERLEADERS
 The try-outs for cheerleaders year instead of in the fall when school begins. Those who will try for next year will be held this out next year met in Mrs. McConnell's room Monday afternoon after school. The reason for the elections being held this year is to prepare the girls for the games which are usually the first week that school starts. So we ought to have a pretty good cheering squad next year since they will have the whole summer to get ready. We will have the names of the new cheerleaders next week.

Tulips should be taken up and replanted at least every second year. In our climate the bulbs deteriorate quite rapidly and should be replaced by new ones if large flowers are desired. As in the case of daffodils, tulips should not be taken up until the tops are desired. As in the case of daffodils, tulips should not be taken up until the tops turn yellow and begin to die.

Bearded iris (German iris) are blooming now and will be ready to divide and replant in about a month after the blooming period is over. However, they may be divided any time during the summer or early fall. A good division consists of a new rhizome or thickened underground stem with a cluster or fan of leaves. The true roots originate from the bottom of this rhizome. In replanting the division the rhizome should be planted so that the top of it will be about even with the top of the soil. Deep planting is not desirable. Bearded iris do best in well-drained soils that dry out quickly.

LEON MESSER
 Leon N. Messer, son of Mr. and Mrs. Ed Messer of Andrews graduated April 14 from Navy Recruit Training at Bainbridge, Md. He will report back to Maryland for general duty following a 14 day leave at his home. Prior to entering the Navy on February 1, Messer attended Andrews High School.

BIG-CAR RIDE? Don't think you have to pay a big-car price to get it. Come in and ...

DISCOVER THE DIFFERENCE IN DODGE!

A smoother ride with Oriflow! Dodge fluid-activated shock absorbers give more precise control than spring-loaded valves in other cars.

It took "big-car" ride to go 31,000 miles in 14 days! No car that just talked "big" could have withstood the tremendous punishment Dodge did at Bonneville. Dodge went 14 days and nights (31,000 miles) at an average speed of 92.86 mph without a single breakdown!

Only a big car can give you big-car ride! And Dodge is bigger all around—inside and out. More legroom front and rear. More hiproom front and rear. More steering wheel clearance.

COME IN AND HIT THE DISCOVERY JACKPOT ON A NEW '56 DODGE

- * Big over-allowance on your car
- * Rock-bottom price on a new '56 Dodge
- * Low down payment, easy monthly terms

COME IN TODAY!

The backbone of the Dodge ride is a better chassis! It starts with a rugged frame with sturdy box-section side rail construction far superior to common U-channel and I-beam types. Cross members are extra heavy.

The V-8 engine is special, too! The 260-hp. V-8 engine is built on advanced aircraft-design principles to give you real break-away power.
