Exam days on Thursday and Friday proved to be a very trying event for both the students and the teachers of AHS. Everywhere you looked you could see the students cramming and students with not a worry of whether they would fail or pass.

The third six weeks grading period ended last week and report cards were given to the students. Both looks of delight and looks of disappointment could be seen on the faces of students.

**STUDENTS AWARDED PINS**  
In Assembly Wednesday, some of the high school students were awarded pins by Mrs. S. J. Gernert of Andrews for the completion of a course in home nursing sponsored by the Red Cross.

**Governor Appoints H. A. Mattox To School Groups**

H. A. Mattox, Murphy was named to a 30-member North Carolina Citizens Committee for Better Schools in an announcement by Governor Hodges, January 12.

The purpose of this committee is to arouse in each community the intelligence and will to improve the public schools.

The governor stated in his announcement, that the work of the Committee would have nothing to do with the problems brought about by the decisions of the United States Supreme Court dealing with segregation in the public schools.

Membership of this committee is made up of laymen who have shown a deep interest in public education and in the welfare of our children. They will be assisted by a distinguished group of educators representing all levels of education in the state.

The first meeting of the citizens committee has been scheduled for January 23 in Raleigh.

**MERCURY BOOSTS PRODUCTION TO A MERCURY A MINUTE TO MEET DEMAND**

A record 40,000 Big M's being built in January . . . a 43% increase over December. A Mercury a minute, every minute of the day and night! All Mercury assembly plants are working overtime with the largest work force in Mercury history to meet the tremendous buyer demand. The landslide swing to Mercury is solid evidence that the new Big M is the most exciting car value of 1957. Never before has so much bigness and luxury cost so little. Prices for America's most beautiful and advanced car are just an easy step above the low-price three.
