County ASC News

Tobacco farmers who exceed their acreage allotment have only ten days from the date of the notice of measured acreage in which to notify the county ASC office of their intention to dispose of the excess acreage, according to A. J. Barton, Chairman of the Cherokee County ASC Committee.

According to Mr. Barton, this notice must be filed in writing and the farmer must deposit with the county ASC office an amount equal to the estimated cost of measuring and witnessing the disposition of the excess acreage.

To bring the acreage within the farm allotment, the excess acreage must be disposed of prior to the time any tobacco is harvested from the acreage and disposition of the excess acreage must be witnessed by an ASC representative. Mr. Barton stated that farmers who do not comply with these provisions will not be eligible for any price support on their 1957 crop of tobacco.

Farmers who have placed land in the Soil Bank Acreage Reserve are not permitted to graze or harvest any crop from that land in 1957.

OLDSMOBILE

DESIGNED FOR SOUTHERN LIVING

"He sure knows how to pick 'em!"

Bridesmaid: You mean Lucille . . . or are you talking about their Oldsmobile?

Best Man: Both! But I was really looking at their car. What a beauty!

Bridesmaid: They sure are a lucky couple.

Best Man: And smart, too. That Olds costs less than you'd think. It has style that will stay in style. They get real comfort . . . a wonderful ride . . . and the big Rocket Engine . . .

Bridesmaid: She looked so lovely . . .

Best Man: They'll really find out how smart they are to own an Olds at trade-in time. Why, an Olds brings a better price than lots of the most expensive cars, even after a couple of years of use.

Bridesmaid: You know what I wish? I wish that someday . . .

Best Man: That you can own an Olds! Don't waste your wishes. Let's take a ride in my Golden Rocket 88. Maybe your dreams'll come true sooner than you expect.
